U. S. to Purchase **Bartlett Pears**

Washington, Aug. 13 (49) Pear growers had the promise of Secretary of Agriculture Brannan today that 'the department will continue buying surplus Bartlett pears.

A California fruit industry committee, accompanied by Senator Downey (D., Calif.) and 10 California house members called on the secretary yesterday to urge continues purchase fresh pears for the month.

The department already has announced purchase of 300 car-loads of Bartlett pears for use in the school lunch program.

The California committee re

quested additional purchases of 200 carloads next week and 150 cars a week for the three succeeding weeks. "The secretary told us: 'We're

in the market, and we're going to stay in the market," Rep. Anderson (R., Calif.) told a reporter. Anderson said Brannan made

no comment, however, as to the quantity to be purchased, or at Previous purchases have been

at \$2.15 per 46-pound box, or about 30 percent of parity. The industry group also ask-ed government purchase of 1, 000,000 cases of canned Bartlett pears, all from the record 1949
