kitchen helper.
Detective Joe Blewett, ques-tioning by the paper-and-pencil system, said Hendrickson admitted that he alone had carried out months of burglaries in several cities.

Among the "jobs" was the ransacking of two downtown Portland buildings, which were gone through, office by office, last month, with class do last month, with glass doors smashed, and safes—almost too heavy for one man to move pushed around.

"And Hendrickson isn't very big, either," said Detective Ble-wett, "Just a medium-sized guy. Being deaf, he apparently hadn't any idea of the noise he was making."

Ingrid Bergman to Hide Out **Until Divorce Is Final**

By ALDO FORTE

Rome, Aug. 16 (P)-Robert Rossellini, Italian movie director and reputed husband-to-be of Actress Ingrid Bergman, said today that Miss Bergman would remain in virtual seclusion in Italy Funtil her divorce from Dr. Peter

Lindstrom is final, In an interview with the Unit-ed Press, Rossellini described the Swedish actress as a "shy, timid spirit"—hurt by terrible publicity on her divorce and her reported romance with him.

Asked about his own marital status, Rossellini said: "I am a free man."

But he refused to confirm or deny the reports of his close friends that he would marry Miss Bergman.

Rossellini said that he had obtained a civil annulment of his marriage to an Italian actress and that the annulment been recognized by Italian

CAN DO SOMETHING ABOUT "TEEN-AGE" PIMPLY SKIN!

If you have "tried everything" and often got no real relief . . . here's new hope! Do this! . . .

Do you suffer from acne—and its associ-ated pimples, blackheads, pustules and other ugly blemishes? And have you found you often get no real help from some ointments—or only slow relief from other

methods?

You should try ENCA, the new "wonder formula" that works on an amezing new scientific principle. The very first application instantly hides externally-caused skin blemishes. At the same time ENCA's specialized medication starts to expose and act on the sub-surface germs that are present in most abnormal skin conditions. Your skin looks and feels better right from the start. And in most cases, relief and general improvement are prompt. The exclusive ENCA formula was developed after hundreds of experiments one actual cases by a group of physicians in a world-famous university. Its many special ingredients include Tyrothricin Ian "antibolic" like penicillin) which checks and inhibits the growth of certain types of germs usually present in acne.

When this "wonder formula" is applied to the skin, three things happen:

(1) ENCA'S flesh-toned cosmetic base instantly hides ugly skin blemishes; relieves itching.

itching.
(2) ENCA exposes and checks growth of certain germs which are present in acne.
(3) Pimply skin surfaces start natural healing. Results are amazing! MONEY BACK GUARANTEE If you are not pleased with actual results, if unsightly skin does not look and feel better, return the partly used jar and purchase price will be refunded.
