## Suspension of **Judgment** on Vaughan Asked Money in Half

### **President Requests** Aide Be Given Hearing In 5 Percent Probe

Washington, Aug. 18 (P)—
President Truman today asked the country to "suspend judg-ment" on Maj. Gen. Harry H.

Vaughan until after his army and cut off the program next plue 20.

Washington, Aug. 18 (P)—The house voted tentatively today to slash European arms aid from \$1,160,990,000 to \$580,495,000 was on his orders that the government granted Yugoslavia permission to buy an American steel mill. five percenter inquiry.

He was sharply critical of what he called leaks from the committee and what he described as a tendency to build up the most critical testimony against Vaughan at closed hearings.

Mr. Truman made it also

"At the outset, I want to say

answer any questions pertaining to the testimony that has beer given before Senator Hoey's (D NC) committee.

"General Vaughan has already said that he will go before the committee and make a full statement on all matters with which his name has been con-

the committee has done, that you gentlemen and your editors, in common fairness, suspend judgment on General Vaughan until he has been heard by the committee."

The president gave newsmen permission to quote his remarks Blames Congress

The president blamed the pre-dicted lifting of federal rent control in one third of the areas still having them on congress failure to provide sufficient appropriations.

## **Tito Granted U. S. Steel Plant**

Truman Says He Sanctioned Sale to Yugoslavian Dictator

Mr. Truman, at a news conference, directed his request particularly to reporters and editors.

It was a stunning setback for President Truman's program for the national security council studied the matter and recommended letting Yugoslavia have Korea, Iran and the Philippines. He told a news conference that

government to help the Yugosla dictator since he split with Mos cow nearly 14 months ago.

It also settled a long-standing argument between the national defense and state departments on whether shipment of a steel mill to Yugoslavia would endanger American security. Defense offi-cials had frowned on the idea.

The decision to go ahead fore shadowed possible approval of a loan to Yugoslavia from the World bank, where the United States has a dominant voice. To Help Combat Reds
