

Stocks Advance Fractionally

New York, Aug. 18 (AP)—Stocks held on to small gains today in an active market. The volume of trading was at the rate of around 1,300,000 shares for the entire session.

A generally higher movement in early trading, followed later in the day, but prices on the whole held to net gains.

A number of individual issues were higher than average. Coca-Cola jumped 5 cents to 146 on a sugar sale. Great Western Sugar fell back after a dividend cut. National City Lines was fairly active and higher on an increased quarterly payment.

The volume was augmented by trading in a number of large blocks of low priced stocks as was the case Wednesday.

All Grains Up In Day's Trade

Chicago, Aug. 18 (AP)—Grains got off to a good start and then moved upward on the board of trade today. Best prices were made late in the day with wheat up more than a cent and corn nearly 2 cents.

A good part of the buying came from previous short selling. It followed news the government was expanding its grain storage program, particularly in reference to corn. Soybeans and lard were aided by continued strength in fats and oils.

Wheat showed greater strength at Minneapolis than here. The Minneapolis is the northwest market caused some local buying. There were reports domestic bakers were showing more interest in spring wheat flour.

What closed 1 1/2-1 3/4 higher, September \$1.99 3/4-3/8, corn was 1 1/2-2 1/4 higher, September \$1.22 1/2-5/8, oats were 1/4-3/8 higher, September 65 1/2-3/4, rye was 1 to 1 1/4 lower, September \$1.42 1/2, soybeans were 3/4-6/4 higher, November \$2.42 1/4-1/4, and lard was 20 to 43 cents a hundred pounds higher, September \$12.80.
