

County 4-H Club Members Rush Plans for Polk Fair

Dallas—Activity in all the homes of 4-H club members will be at a high pitch this week as they make final plans for their exhibits at the Polk county fair to be held at Monmouth August 25 and 27.

Competition in showmanship contests will be extremely keen this year, particularly in the beef and dairy contests. In the dairy showmanship contest, Sam Stewart, two year winner of the Lyle Knower showmanship trophy, will be out to win for the third time and permanent possession. The dairy showmanship contest is scheduled for August 26, at 1:30 p.m. with Ben Newell, Marion county extension agent as the judge.

A new trophy is being awarded this year to the champion beef showman. This trophy is being awarded by John Grund and Clarence Grund, Jr., Monmouth, both of whom were outstanding 4-H club members in Polk county and are offering this trophy in their interest of having good quality club work continued. Strong competition is expected for this trophy. The beef showmanship contest will be held August 25. The judge will be Kenneth Minnick, Benton county extension agent.

An increased number of livestock exhibits has created necessity for construction of an increased number of stalls and pens in order to have sufficient space to accommodate everyone. New stalls and pens are being built outside and will be covered with a tent.

Judging of exhibits in the 4-H clubs divisions will begin promptly at 1:30 p.m. August 25, with the sheep showmanship contest followed by judging of the sheep classes. During the rest of the day beef, poultry, and rabbits will also be judged.

All Kinds of Horses Will Show at State Fair

Horses and horses of each and every type will be one of the attractions at the Oregon State Fair, September 5 to 11.

Manager Leo Spitzbart reported this week that more equines than ever before will be crowded into the various competitive classes during the week. As an example, he cited the draft horse division which is doubled in total entries over 1948 and the imposing list since long before the war.

Exhibitors include: Pereherons, Earl Miller and Carl Mantie, Salem, Albert Klein Aumville, Meadowlan Dairy, Portland, Florence Koehn, and Harlan Bones, Turner. Belgians will be exhibited by Lenore W. Althaus and Joseph Fox, both of Troutdale. W. C. McCool will show his English Shires while Roy E. McCoy of Eugene will display his string of Clydesdales.

Harrison Cutler, horse show manager, reports that most stall space is already filled by the unprecedented number of show strings on hand for the nightly competition. Charles A. Evans, superintendent of racing, expects at least 500 thoroughbreds and quarter horses to be on the grounds for the Fair's six day racing meet.

Latest indications point to at least two pony rides, featuring the tireless Shetlands, for the youngsters in the newly constructed "Kiddieland."

Secrecy Alibi In Vice Probe

Los Angeles, Aug. 18 (AP)—The policeman who wired gambler Mickey Cohen's new home for sound two years ago today defended the secrecy in which resulting recordings had been kept until two days ago.

L. Rudy Wellpot, suspended vice squad chief, told reporters

that C. B. Horrall, who recently retired under fire as police chief, knew all about the recordings while they were being made between April, 1947, and March, 1948.

Wellpot said they were not turned over to the grand jury, which since then has investigated criminal situations to which Cohen was linked, because "they had no bearing on the investigation the grand jury was then making."

The grand jury recently in-

dicted Wellpot, Horrall and three other policemen on perjury charges stemming from convicted Brothel Queen Brenda Allen's allegations that she paid vice squad officers protection money. She is serving a year's sentence for pandering.

The microphone listening device recordings constitute a mass of conversations of Cohen and visitors and of innumerable long distance calls to other cities.

Lonely Heart Couple to Die

New York, Aug. 18 (AP)—Plump Martha Beck and her lover, Raymond Fernandez, were convicted of first degree murder today in the lonely hearts murder case. The verdict carries a mandatory death sentence.

Both defendants received the

Capital Journal, Salem, Ore., Thursday, August 18, 1949—9

verdict stoically. Fernandez stood erect, his face displaying no emotion. Mrs. Beck rested her taut fingers on the defense counsel table.

The verdict was announced by a jury that had been kept in session all night on orders of the court. The court set Monday for sentencing and defense motions. Fernandez, 34, and Mrs. Beck, 29, were convicted of slaying Mrs. Janet Fay, 66, Albany, N.Y., widow, at Valley Stream, N.Y., in a scheme to fleece lonely women

in mail romances. The state charged that the killing was deliberate, and in his summation Edward Robinson, Jr., Nassau county, N.Y., assistant district attorney, told the jury the motive was "dead men tell no tales."

The state charged Mrs. Beck beat Mrs. Fay over the head with a hammer and that Fernandez then strangled the widow with a scarf — to end her demands for return of \$8000 Fernandez had gotten from her.
