# Salem Slaps Chiefs, 16-10

## Johnny Price Will Perform Between Games

A couple of items in the box score just about tells the story of Thursday night's encounter at Waters park—21 bases on balls and nine errors.

However, since the Senators merged winners 16 to 10 over Wenatchee after two hours and 25 minutes of activity perhaps all should be forgiven. And just by way of explanation it should be said that only three of the Chiefs' runs off Cal McIrvin were earned even though the left hander sent nine of them to first via the free route.

Lou McCollum, a right hander whom the Solons have had difficulty with in other contests, proved easy picking as they jumped on him for 10 hits and an even dozen runs of the baby grand. It was his innings he was permitted to toil. Manager Charlie Peterson took over in the third and soft pitched the rest of the way with greater success than his predecessor. All four runs off his delivery were earned.

Both sides to the program gave out the appearance of having gone round the Horn en route to Salem. But, perhaps most anybody would have been a bit listless after spending most of the night traveling in order to fill the obligations of the sched-

The 563 persons present were not left in doubt for long as to what was in store for in the very first inning the Chiefs notched three tallies. Two hits, plus three Salem Senators collected 12 of their runs in the next three innings as they hit McCollum freely.

There were no home runs and extra base hitting was confined to the double column with 1500 Shooters Wayne Peterson, Bob Hedington, Mel Wasley, Cal McIrvin and Art Pennington each contributing a two baser for the winners. Shortstop Meyers performed similar feat for the Chiefs.

Friday night's program will consist of two games beginning at 7 o'clock with Johnny Price, baseball's noted sleightof-hand performer, tossed in for good measure. Price will display his bag of tricks be-

## Cook of Dallas In Shrine Game

Dallas Football fans of Dalas will turn out en masse for the Shrine game in Multnomah stadium in Portland on Saturday night. Local interest is focused in Jack Cook, high scoring Willamette Valley league fullback from Dallas high,

Jack, who is turning his grid fortunes to the University of Oregon for fall, pulled a muscle early practices in Portland, but is now pronounced ready for action.

Coach Mel Ingram has an nounced that Phil Gillis of Bend will start in the fullback spot, but he is using a platoon sub-stitution system and Cook is slated for action in about half the game.

The plunging fullback spark-led on defensive play during his school career and last year blasted the league scoring rec-ord when he accounted for 86 points. The previous record was

whether the New York Yankees bought themselves a pennant when they gambled on Johnny Mize. Judging by Big Jawn's showing last last night, however, he is easily worth the reported \$40,000 the Yankees paid the New York Giants last Monday for

his services. Mize proved he could still powder the ball when he crashed his first American league homer to help the Yankees defeat the Cleveland Indians, 6-3.

Mize clouted Bob Feller's first offering over the right field fence to score Tommy Henrich ahead of him in the second in ning. That put the Yankees ahead, 2-0. John paid off again in the eighth when he singled off Gene Bearden. A crowd of 63,522 watched the Indians lose their third straight at home.

Ed Lopat registered his 13th triumph for the Yankees, al-though he needed help from Joe Page in the eighth.

The triumph, which ended a three-game losing streak, in-crased the Yankees' first place margin over the Boston Red Sox to three games. The sox were peaten, 8-3, by the White Sox in is now six games off the pace,
