

E. W. (Hap) Hewitt, above, veteran Salem police officer, will again be in charge of policing the grounds during the Oregon State Fair in Salem, September 5 to 11. Below Joe Simeral, veteran manager of the ticket department of the Oregon State Fair, has good reason to smile. Advance ticket sales to the fair's horse racing program, stage revue, and horse show-rodeo are far away the heaviest in history.

Keizer School Will Seek Additional Room Space

Keizer, Aug. 27—At a special meeting of the Keizer school board Friday night, a decision was reached to advertise for bids as soon as complete plans can be prepared for construction of additional classroom facilities, provided that successful bids are received by the board next week on the \$48,000 bond issue approved by the voters on August 10.

Preliminary sketches presented by Frederick H. Eley, architect, who has been retained by the board were approved. Bids will be called for on work consisting of removal of the old school building from its present location to a new site north of the Keizer Grange hall; completion of one classroom and a library room on the back of the new school building; and a three room extension on the back or west end of the north

wing of the new building. The architect was instructed to rush the plans to completion in order that advertisement for bids can be placed as soon as possible. It is hoped that a contract may be awarded and construction begun not later than October 1.

In this connection the board points out that subject to completion of at least a portion of the new facilities around the first of the year it will be necessary, because of lack of space, to double shift probably the first and second grades, although the exact extent of the double shifting that will be required cannot be determined until after the pre-school registration is held next Tuesday and Wednesday, August 30 and 31.

Roy M. East Line Gets Fare Increase

Roy M. East, operator of a bus service between Salem and Tillamook, via Valley Junction, is given a permit to increase rates in an order signed by George

H. Flagg, public utilities commissioner.

East's petition was for authority to adjust the intermediate application rule and cancel the individual 40-ride scholar commutation book, and also to increase certain passenger fares.

The findings in the order hold the petition justified.

STATE FARM MUTUAL announces...

a CUT in auto insurance costs!

Savings for Oregon drivers announced by world's largest auto insurance company

Today comes the best news in many years for every family driving a car! The world's largest automobile insurance company has just announced a 10% reduction in collision and a 20% reduction in comprehensive (fire, wind, theft, etc.) insurance rates.

Why savings are possible

Three reasons make it possible for State Farm Mutual to give car drivers the benefits of lower insurance rates at this time:

1. State Farm is a Mutual company. Whenever savings in operation can be made, these savings are immediately passed on to the huge family of more than one and one-third million policyholders. During 1948 our cost of operation was reduced. These savings are being shared with policyholders, new and old, in the form of reduced insurance rates.
2. State Farm Mutual policies are written for a six-month period rather than the usual twelve-month period. It is therefore possible to refigure rates and make savings available at more frequent intervals.
3. The ideals and principles of State Farm Mutual are embodied in the insuring

of only careful drivers. This keeps down the number of accidents among State Farm policyholders—keeps our cost of operation down to the minimum.

Who is eligible

All car-owning families may take advantage of State Farm Mutual's new low rates on auto insurance. It doesn't matter whether the car you drive is new or old. The only requirement is that you are a careful driver and maintain your car in good physical condition.

The hundreds of thousands already insured by State Farm Mutual will enjoy the benefit of these lower rates on their next renewals, although renewal notices now in the mailing process, of necessity, are based on former rates.

FIVE reasons why it pays to insure with State Farm

- State Farm Mutual's rates are now lower—because State Farm is a mutual company issuing six-month policies and seeking to insure only careful drivers.
- For your extra security, State Farm provides twice as much public liability protection plus five times as much property damage protection as is required by any state financial responsibility law.
- Sound management, financial stability assure prompt payment of legitimate claims.
- State Farm Mutual is the largest automobile insurance company in the world; 7,500 representatives at your service, coast to coast, in the U. S. and Canada.

Legionnaires In Philadelphia

Philadelphia, Aug. 21 (AP)—Delegates to the 31st national American Legion convention began streaming into Philadelphia today with many apparently intent on naming a World War Two veteran as their new commander.

As the city gradually took on a holiday atmosphere, two veterans of the last war plunged into the business of meeting delegates and lining up support. They are George N. Craig, Brazil, Ind., attorney, and Earl Cooke, farmer and railroad man, of Dawson, Ga.

A third candidate is expected to establish campaign headquarters tonight—James F. Green, Omaha, Neb., attorney. Election of one of these three would mark the first time top control of the legion passed out of the hands of World War One veterans.

Legion spokesmen have indicated they believe the race will narrow down to a three-way scrap between Craig, Cooke and Green.

But while the \$15,000-a-year job is of intense interest to every legionnaire the big show, as far as the public is concerned, will be Tuesday's parade of 18,000 marchers.

Legion officials say it will be the biggest and showiest ever put on. One official said costumes, musical instruments and equipment for the 15-hour parade are valued at \$5,000,000. He added that the national championship band from Joliet, Ill., is bringing uniforms and instruments worth about \$65,000 alone.
