FREE! INSPECTION FREE!

We will have two front end specialists on our service floor for the remainder of the week. Drive in and let them give your car a complete steering and front end alignment check. They will also check the front tires for balance and proper tire wire.
Feel assured your car is safe for the highway before you take that vacation trip! We have just recently installed the very latest front end testing equipment available for your convenience.

Drive your car across our new Bear Wheel Aligner
