Hunt's Portrait Gallery—Among the many autographed pictures on the wall of James V. Hunt's office in Washington, D. C., is one of Sen. Protect Wheat Growers In Expanded Grain Areas

Washington, Aug. 30 (AP)—President Truman has signed a bill providing machinery to protect wheat growers in areas where there have been rapid expansions of wheat acreage in recent years.

It also provides a method for southern and western farmers to cut cotton acreage, to prevent sharp breaks in cotton prices in the years ahead. And it provides protection for new peanut growers.

Stocks Advance Fractionally

New York, Aug. 30 (AP)—The stock market closed a little higher today after a painfully slow advance.

Few gains exceeded fractions and numerous leading issues did no better than remain at Monday's closing levels.

Business frequently came to a complete standstill. Turnover was at the rate of only 600,000 shares or so for the full session, easily the slowest market of the month.

Superior Steel hit a 1949 low with a loss of around a point following news that the board had skipped the dividend usually voted at this time.

Selling Forces Grains to Drop

Chicago, Aug. 30 (AP)—Selling by commission houses and liquidation by local traders carried all grains lower toward the close of today's board of trade session.

Cash dealers were credited with selling September wheat as earlier commercial demand subsided. Corn reacted with wheat when corn bookings on a to-arrive basis were placed at 125,000 bushels.

Starting on a steady basis, futures advanced, until a wave of selling hit soybeans midway through the morning session. Some recovery developed, but the market failed to regain its steady tone.

\$2 Billion Plan For California

Washington, Aug. 30 (AP)—Secretary of the Interior Krug presented to congress today a \$2,000,000,000 program for water resource development of California's central valley basin.

President Truman endorsed a controversial part of the plan which would make interior's reclamation bureau the major construction agency—and would virtually throw the army corps of engineers out of the central valley.

The work of the army engineers would be limited to single-purpose flood control or navigation projects.

Truman said more information on engineering and economic feasibility is necessary to justify approval of the whole as a comprehensive valley plan.

The president told Krug there would be no objection to sending the project report to congress "provided it is made clear that, aside from the authorizations for the projects specified, the other projects proposed are to be considered as an inventory of possible future work."

The army engineers currently have authority to build nine dams in the central valley basin.

Mack Rites Set For Thursday

Portland, Aug. 30—Funeral services for First Lt. Austin Julius Mack, B-17 bombardier with the United States Air Force, who was killed in action on May 24, 1944, while on his 27th mission over the Helligland islands, will be Thursday in Portland.

Services will be at 2:30 p.m. at Riverview chapel under the direction of the Finlay funeral home, with Reverend Louis P. Lehman, Jr. officiating.

Lt. Mack participated in the heaviest bombing during the crucial part of the war, October, 1943, to May 24, 1944. He was engaged in the first air-raids on Dusseldorf, Stuttgart, Frankfurt, and other places. For his services, Lt. Mack was awarded the Distinguished Flying Cross with five Oak Leaf clusters, the Air Medal, and the Purple Heart.

Lt. Mack was born in Stayton, June 27, 1916. He was baptized in the First Baptist church Salem, on January 30, 1927. He was graduated from Salem high school in 1935.

Lt. Mack was married to Miss Mona Vosberg in Salem July 14, 1940. He enlisted in the army on July 16, 1942, and entered his bombardier training on February 22, 1943, leaving for overseas on October 28, 1943.

He was deputy group bombardier leader of his squadron, the 358th squadron of the 8th Air Force.

He is survived by his parents, Mr. and Mrs. Forest J. Mack, three brothers, Roy, Forbes and Robert, and two sisters, Mrs. Oran Robertson, and Mrs. George Luthy, all of this city.

Funeral services will be held at 2:30 p.m. Saturday at the church on Saturday for James Hunter, son of Mr. and Mrs. James Hunter of Falls City. He was born July 24, 1932, and after a brief illness departed life August 24, 1949, at the age of 17 years and one month. He lived all his life in Falls City and attended the grade and high schools here. He leaves his parents, two sisters, Mrs. Barbara Morton of Canyonville, Oregon, Mrs. Gladys Hunter of Falls City, his grandparents, Mr. and Mrs. Harry Horton, and Mr. and Mrs. J. M. Dake, all of Falls City, other relatives and many friends.
