### East Salem Rabbit Breeders Make Plans for Fall Exhibit

East Salem, Aug. 30—Another fall show for which definite plans are being made is that of the Capital City Rabbit Breeders association. Dates have been set for October 15 and 16, but those planning to place advertising blocks are having to have them ready by September 1 as the book goes to press this week.

### Linn Clubbers Display Craft

Albany, Aug. 30—Boys and girls from all parts of Linn county came to Albany Monday bringing with them livestock animals and results of their handwork, assembling their exhibits at the Linn county 4-H club fair grounds for the 1949 annual Linn county fall 4-H club fair, which was opened at noon.

A highlight of the 4-day program will be Wednesday night's seventh annual 4-H club fat animal auction at the pavilion, starting at 8 o'clock.

Monday afternoon the swine judging was held, along with showmanship contests.

The opening event of Tuesday will be weighing of hogs for the sale followed by judging of canning exhibits, sheep showmanship and judging, vegetable and crops judging, poultry and beef judging and showmanship contests, canning judging contest and canning, dairy and livestock demonstrations.

Steers and fat lambs for the sale will be weighed in Wednesday morning. The fair will end Thursday afternoon.

### Canadian Loggers To Vote on Strike

Vancouver, B.C., Aug. 30 (AP)—A strike vote among 32,000 coastal loggers was approved yesterday by the Canadian labor relations board. Date of the balloting will be determined within several days.

The employees, members of the International Woodworkers of America (CIO), have rejected a majority report of the conciliation board that they be given no pay increase. The union had asked a 15-cent hourly boost.

### Heat Wave Hits Alaska

Anchorage, Alaska, Aug. 30 (AP)—Alaska was in the grip of a "heat wave" yesterday. The temperature soared to 76.

### Michigan Family Finds Salem 'Finest Place in Country'

Because Paul Browne believes Salem is "the best place in which to live in the entire country," the capital has acquired a family of six in recent days.

The former Flint, Mich., family of Mr. and Mrs. Browne, three sons and a daughter have established themselves in a new modern residence at 685 North 16th street. They came here from Phoenix, Ariz., via Eugene, where they had expected to remain. Primary interest was the education of the young people.

Not yet settled in their new home, Browne, a beer distributor of Flint, took time out to

gene high. The daughter expected to register at Maryhurst near Portland.

"En route to Maryhurst, Mrs. Browne and the daughter passed through Salem. They liked it here and quickly convinced me that the move was a wise one because of the educational facilities provided at Willamette and the public schools. Eugene is a boom town and hard to drive in. We spent a day viewing Salem's residential districts and found them superior to those in Eugene, so here we are."

Browne has retained his interests in Michigan. "We came here with the expectation of remaining at least a year. If we like it, then we will build up on the heights."

Apparently having heard that it rains in Oregon, Browne said: "We have made up our minds that we will not become discouraged by the rain, no matter how much it falls."

In the meantime the two older sons expect to enter Willamette, the third in Salem high and the daughter in Maryhurst.

### Healthiest Girl To Defend Title

Donna McLaughlin, Spring Valley 4-H club member who was judged the healthiest girl in the state at the fair last year, will defend her title again this year as a result of winning the title of Polk county's healthiest girl at the annual Polk county fair in Monmouth.

Harold Waldron, also of the

Spring Valley Health club, is the healthiest boy in the county and will be another finalist here next week.

Out of a possible 1000 points Donna scored 895 and Harold 985. As highest scored 4-H Health club member in Polk county Donna will receive the trophy awarded each year by the Polk County Health association. Both received first prizes at Monmouth.

Physical examinations were in charge of Dr. J. H. Stewart, Dallas, who was assisted by Miss Audrey Smith, Polk county health nurse.
