

Finishing Touches for Fall Costumes

Symphony in Textures—The red duvelyn coat with mink trim is in Monte Sano's new basque silhouette, accented by the smooth sheen of French kid gloves by Kislav and small polished calf bag.

Study in Contrasts—The casual tweed suit gains elegance from the narrow mink tie, washable glaze gloves and calfskin bag in new elongated shape. Fine leathers and fine fabrics make fall fashion.

A good hot plate of soup will help satisfy lusty young appetites home from school at noon. You can make it a hearty homemade bowlful like minestrone, or you can use some of the convenient canned soups.
