Miss Dickey Wed Sept. 10

Albany—Miss Phyllis Lenore Dickey, San Francisco, daughter of Mr. and Mrs. Walter Raymond Johnson, Albany, was wed to William Harold Quayle, San Francisco, at the First Presbyterian church on Saturday, September 10, at 8 o'clock in the evening. The Rev. Morton L. Booth read the double ring service.

The bride wore a white eyelet embroidery dress, the material being a gift of her brother, and brought to her from Tokyo, Japan. The dress was fashioned with a low-off-the-shoulder designed with wide collar and inset of tulle. The skirt fell in three tiers with hoop effect. The skirt terminated in a short train. The veil of French illusion fell from a coronet. The bride carried a fan shaped bouquet of stephanotis and white carnations centered with a white orchid. She was given in marriage by her father.

Mrs. Preston Dickey, Albany, sister-in-law of the bride, was matron of honor and bridesmaids were Mrs. William Mitchell, Albany, and Mrs. Harold Romberg, Oregon City.

Master Walter R. Johnson Jr., brother of the bride, was ring-bearer.

Earl Popovich, San Francisco, was best man and ushers were: Preston H. Dickey, Jack Bird, brother and cousin of the bride, respectively.

Lighting the candles were Miss Phyllis Vollstedt, Portland, and Miss Marcia Curtis, Coos Bay.

Mrs. Hazel Ewing was organist and Sidney Burt vocalist.

After the ceremony a reception was held at the home of Mr. and Mrs. W. A. Vollstedt.

The bride was graduated from Albany high school and attended Oregon State college. She is a member of Pi Beta Phi sorority. She has been with the Pan-American Airways the past two years as flying hostess. Mr. Quayle is an officer of the Olympic club in San Francisco.

1800 Games of Chance in State

Portland, Sept. 16 (AP)—Some 1,800 Oregon firms and individuals hold \$100 federal tax stamps for games of chance.

Seven hundred of them are listed on records of Hugh Earle, federal collector of internal revenue, with Portland addresses.

The stamps cost \$100 when intended to cover mechanical devices operated as games of chance. They cost only \$10 when intended for amusement devices, Earle said.

He added that the federal government is not concerned with legality of the devices—Oregon law makes them illegal when used for gambling—and pointed out that federal occupational stamps are issued to liquor dealers in "dry" states. That makes the holders immune to federal prosecution.

Judge Felton Talks To Silverton Lions

Silverton—District Judge Joe Felton of Salem was featured speaker for the Silverton Lions dinner program, their "kick-off" affair for the coming autumn and winter weekly programs.

Judge Felton spoke of a definite plan of patriotic Americanism, elimination and trends

toward communistic influence.

Eugene Smith was in charge of the session as president, assisted by Frank M. Powell, serving as substitute secretary, and Dr. A. L. V. Smith as program chairman.

Supplemental program numbers were the showing of an educational film on counterfeiting by Ernest R. Ekman, and Murl Anderson, high school coach, telling of the football plans for the season and the prospects of the local team.

The members voted favorably on the question of buying a film screen as permanent property of the club.

Among the many visitors present was Milton Baum, assistant coach of athletics at the local high school.

U. S. Population At 149,452,000

Washington, Sept. 16 (AP)—The census bureau estimated today that the United States population was 149,452,000 on August 1.

This was an increase of 237,000 over the July 1 estimate. At that rate of increase, the population will pass the 150,000,000 mark before January 1.

The August 1 figure represents an increase of 17,782,000 or 13.5 percent, over the 131,669,275 persons actually counted on April 1, 1940, the date of the last census.

Stayton Host to Fire Fighters

One hundred members of the Marion County Fire Fighters' association were entertained this week with the Stayton fire department host. A. L. Sherk, retired captain of the Portland fire department, was principal speaker. He recently returned from nearly four years in the Philippines.

Feature of the meeting was the "arrest" of Bill Aitken, representative of the Eureka Fire Hose company of Seattle, for the alleged pilfering of Snoopy, the wooden dog mascot of the Stayton firemen. He was placed in the city jail for an hour prior to the meeting and tried before a kangaroo court. Upon payment of a "fine" the charges were dismissed.

Aitken was represented in "court" by Ed Stolle, editor of the Mt. Angel news with M. Van Driesche attorney for the plaintiff. Luncheon and refreshments were served.

The original forest area of the United States is estimated at 820,000 acres in addition to 100,000,000 acres of non-commercial forest. The present area of forest is estimated at 461,044,000 acres.

The increase was 1,401,000 in the first seven months of 1949. This is about the same as the increase during the corresponding period of 1948.
