Burial Plan Arouses Negroes

Klamath Falls, Sept. 21 (AP)—The National Association for Advancement of Colored People has thrown a legal pitch at the city of Klamath Falls and its plan to allocate 72 lots in a new cemetery for burial of non-caucasians.

Ten NAACP members, along with Berkeley, Calif., Attorney Orville Edder, appeared before the city council to protest what they termed segregation in the cemetery and Edder told the council he considered the allocation plan a violation of the "equal rights and protection" clause of the U. S. constitution.

Edder said he had represented NAACP on several occasions and had been summoned to Klamath Falls to look into the burial issue.

The matter arose several weeks ago when a negro war veteran was refused burial in the new cemetery because of restrictions in deeds to cemetery lots which provided that the cemetery be used for caucasian interment only.

Since that time the restrictive clause has been deleted from lot deeds, but the city and a cemetery committee, trying to work out the problem of negro burials, hit upon the plan of allocating 72 lots in a certain portion of the cemetery for non-caucasians.

It is this plan NAACP is protesting.

Four Corners Home Scene Of 'China Day' Gathering

Four Corners, Sept. 21—Mr. and Mrs. Edward C. White, 4055 Beck Ave., were hosts at a reunion dinner to a group of old friends of "China" days when the men were all doing a tour of duty in the Orient and the families were living out there. It was 15 years since they were all seeing Shanghai, Manila and many other places together.

They are retired navy veterans and their combined years of service total more than 100 years. The visitors were Mr. and Mrs. Alex Siewert, Mr. and Mrs. F. G. Lawrence, and Mr. and Mrs. George Hart, all of Portland.

House guests in the Frank Crozier home, 3920 State street, last week were their daughter and son-in-law and their twin daughters, Mr. and Mrs. Richard Owen, Kinlee Ellen and Marie Eileen Owen of Eugene. On Sunday, September 11 the Croziers had all of their children and grandchildren at home when they all were together for the first time. Besides the Owen family there were Mr. and Mrs. Roy Priem and Bruce Priem of Portland, Mr. and Mrs. Lyle Cave, Robin and Alan Cave of Salem.

Congratulations to Mr. and Mrs. Ray M. Gardner, 4123 Durbin avenue, upon the birth of a son born September 16 at the Salem General hospital. He was named Larry C. and weighed nine pounds and 14 ounces. There is an older brother, Tommy, and the grandparents are Mr. and Mrs. Lot Gardner of Independence, Mrs. Florence Rose of Falls City, Ore. The great grandmothers are Mrs. Hattie Wingo of Independence and Mrs. Anna Gardner of Falls City, Ore.

George Bixler, 4420 Macleay road, and his sister, Mrs. Florence White of Brooks, flew to Seattle for a week's visit with a brother who is very ill. Before returning home they visited another brother at Coulee Dam, Wash.

Recent guests in the Jess Mvlinay home, 3136 Mahrt avenue, were Mr. and Mrs. Rudolph Manske of Lincoln, Neb., and Mr. and Mrs. Ed Oetken and family of Bend, Ore.

Works for Chiang — In a published interview, William J. Goodwin (above) of Roslyn, N. Y., an American public relations man, revealed in Washington, D. C., that he is employed at \$25,000 a year by the Chinese Nationalists to get more money and support for Chiang Kai-Shek's government in its battle against the communists. (AP Wirephoto)

Burned Over Logging Lands Being Cleared

Dallas — Billows of dense smoke surging up over western hills near Dallas need not cause any undue alarm for forests according to a report of the Polk-Benton district headquarters, state board of forestry.

The fires have been set with the permission of the office to burn logged over lands and debris. Men from the forest service are assisting with the work. Largest fire is that in the Long-Bell operations near Grand Ronde. It will cover 2,400 acres. Men of the company crews are working to keep the fire within bounds.

Others are being set nearer Dallas in operations of Pope and Talbot and smaller concerns. More slash fires may be expected within the next few days.

With fall rains expected soon, it is "now or never" for slashing fires to get the woods rid of brush that would be hazardous in coming dry seasons.

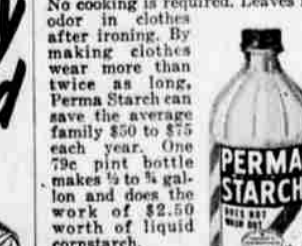

MISS RAGS TO RICHES 1949

"After 80 washings the left half of this cotton dress was worn to shreds. But the right half which had been Perma Starched after each 8th washing was still crisp and new looking."

Makes Clothes Wear Twice as Long Tests by the nation's leading independent laboratories conclusively prove Perma Starch makes clothes wear twice as long because Perma Starch does not wash out even after 8 to 15 washings. Perma Starch starches clothes in an entirely new way. Unlike ordinary starch that coats cloth to stiffen it, Perma Starch penetrates into the individual fibres of each thread. Melted under the heat of an iron it actually grasps and holds fibres in place, keeping them from being torn away by wear or by washing.

Saves Time and Money No cooking is required. Leaves no odor in clothes after ironing. By making clothes wear more than twice as long, Perma Starch can save the average family \$50 to \$75 each year. One 79¢ pint bottle makes 1/2 to 3/4 gallon and does the work of \$2.50 worth of liquid cornstarch.

Warning There are some imitations of genuine Perma Starch with similar and confusing names. These products have not had the benefit of the 15 years of research that went into Perma Starch. Some leave an unpleasant odor that cannot be washed out, some even add water to make their product seem more economical. Be sure you get genuine highly concentrated Perma Starch. It comes in the "BARBER POLE STRIPE" bottle at your grocer. Textile Mill Corp. 1000 U. S. Rubber Co. Rockefeller Center, N. Y.

Linn Farm Owners Start Fall Plowing

Albany — Fall plowing is underway on many of Linn county's farms following last week's rains, but farmers in the southwest part of the county are still waiting for more moisture to loosen up the soil, a survey showed.

The rainfall was sufficient to facilitate plowing in most of the county, particularly in the Lebanon and Scio areas. Heavy-type soils in the Brownsville, Shedd and Halsey areas will need more rainfall before they become loose enough to allow wholesale plowing.

Ryegrass appears to be the heaviest crop going in this month. Heavy seedings are also being made in vetch and grey clover.
