

Dedication of Tabernacle Due

Dedication ceremonies for the newly constructed Evangelistic Tabernacle at Garden Road and Park avenue will take place at 3 o'clock Sunday afternoon with Rev. Atwood Foster, district superintendent. Assemblies of God as the principal speaker.

The congregation is abandoning its property at Ferry and 13th streets which it has occupied for a number of years.

The new church is of pumice stone construction while a Sunday school building now under way is of interlocking concrete block.

The entire church plant is above ground with the auditorium being easily available.

Many class rooms are included in the plans for the accommodation of a completely departmentalized Bible instruction division.

The two and a half acre tract of land on which the church is located, will provide ample parking space for automobiles.

Rev. Walter S. Frederick, pastor, will preach the first sermon in the new church sanctuary at 11 o'clock Sunday morning.

A series of dedication week meetings will begin Sunday night with Rev. Chas. J. Weston of San Francisco, the first speaker. He will preach again Tuesday night. Others to appear are Rev. Victor Trimmer, Wednesday night; Rev. Ely Persing, Thursday night and Rev. Dwight McLaughlin, Friday. The choir leader is Dick Louthan; orchestra director, Ollie Schendel.

Organist to Be Presented Oct. 7

The choir of the First Christian church will bring to Salem John McDonald Lyon, brilliant young organist for a concert in the sanctuary of the First Christian church, October 7, at 7:30 p.m. Still a young man, Lyon has achieved a position of distinction in the front rank of American organists. His playing of Bach is refreshingly clear and bright, meticulous in phrasing, and free from undue heaviness.

He received his musical education and training at University of Washington, Trinity College of Music, London, and Royal Schools of Music, London, and studied under Marcel Dupre, professor at the Paris Conservatory, and with the late Louis Vierne, organist of Notre Dame cathedral.

Public Works Bill Passed by Senate

Washington, Sept. 24 (AP)—The senate has approved a \$100,000,000 program for planning public works projects all over the country.

The bill, which has been called an "anti-depression measure" in congress, was passed yesterday by voice vote. It now goes to the house.

It would make federal funds available to states and communities for advance planning of needed public works projects. President Truman recommended such a program last July, as a safeguard "if the business downturn should become more serious."

I'm Serious!

Maybe you like smiling babies? Sorry to disappoint you, but I've got a lot on my mind.

There's something wrong in America . . . and I'm the chap who is getting hurt!

Our Constitution says that no one can be denied the right to worship God. I'm an American! According to the Constitution I have the right to learn about God, to hear the Bible Stories, to be taught the Christian Way of Life.

But here's the hitch. While the Government can't deny me the right to attend Church School and Church—MY PARENTS CAN. They can rob me of my most sacred right just by neglecting my spiritual needs.

Did you know that about half the children in America are growing up without religious training? And yet there's a church in every village!

Yessir, I'm serious! Instead of talking about juvenile delinquency, we ought to do something about it. We ought to crowd our churches with children . . . and parents! And we ought to start Sunday!

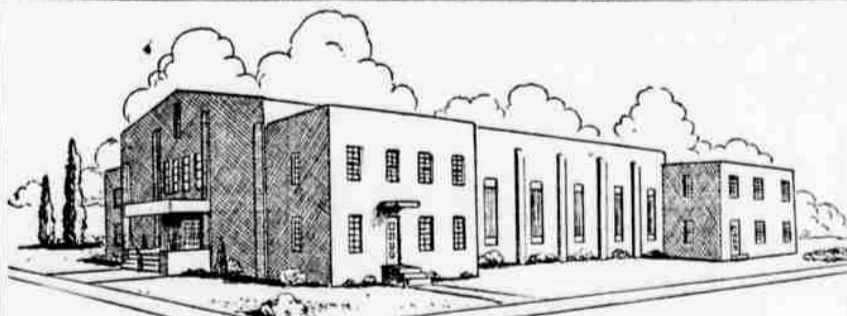

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
