On the Oregon campus there has been much construction, and it has now been announced that by the end of winter term the long awaited Student Union building is expected to be open. To administer the complex functions and varied facilities of the building, a special body, to be known as the Student Union Board, is now being assembled. The Student Union is going to be a wonderful improvement for Oregon, and will be the center for all activities.

Saturday night the AWS is reviving an old tradition, which is the once-annual "Bunions Derby." Men's living organizations will attend women's houses, staying approximately fifteen minutes at each group. These events are a lot of fun, and a good way for the freshmen to get acquainted.

With the library and classrooms full, it is a sure sign that we Oregon Ducks are back to the books.

Last week-end was packed full of exciting events for the students of Oregon. Friday night was devoted to a "snow-
