Delay Asked on Silverton Road

County Judge Grant Murphy Tuesday asked District Attorney Ed Stadler for the time being to defer any action toward condemnation proceedings in connection with right of way for the proposed federal aid improvement of the Silverton road from Steffen corners to the Silverton limits.

"So far," said the judge in directing the district attorney to lay aside such proceedings for the immediate future, "neither the state highway nor the federal bureau of roads has justified in any manner the additional cost which will be imposed by this improvement over an improvement on the present right of way into Silverton. I don't know that they will attempt to, but we would like to have such justification before the court takes action."

"So far the court has not signed any commitment on the new route which will be necessary before proceedings can go ahead definitely."

"Also there is considerable confusion among the residents along the roads themselves and we would like to see this matter more definitely ironed out before we do make a definite commitment in the shape of launching condemnation suits." There are about six pieces of property which it is now thought likely might require condemnation, although it is possible this number will be shaved down by negotiation.

The district attorney had indicated to the court he was making preparations to proceed when the matter was called off for the time being, at least.

Salem Heights Chest Drive On

The Community Chest drive for Salem Heights was started Monday noon with a dessert luncheon at noon at the home of Mrs. E. A. Carleton, drive director for the district.

Fifteen women were present, all leaders in the community. Each one accepted her appointment on account of her particular interest in some of the participating agencies of the Community Chest.

All who were present have children in at least one of the following organizations: Boy Scouts, Camp Fire Girls, Girl Scouts, YWCA, and YMCA.

A number of the workers are now or have been leaders in the Cub Scouts and the Camp Fire Girls.

Mrs. Carleton as chairman distributed material to the workers and gave full directions for its use. From the interest shown it is certain the Salem Heights community will be thoroughly canvassed.

Gunfire

Steel picketing is orderly and quiet—everywhere. It's the most peaceful walkout in history for Murray's men. Some steel strikes in the past have resulted in violence.

But there has been little peace in the coal fields. A week ago gunfire, rock-throwing and explosions ripped the mining countryside.

Violence broke out anew yesterday. Miners ambushed Matt Bunch, UMW international representative, said 20 national miners on a "peaceful mission" were ambushed at Pikeville, Tenn., by non-union miners. Three men were shot, one seriously. Two others are missing. No arrests were made.

Bunch said between 75 and 100 shots were fired by men hiding behind bushes as the UMW miners walked up a small path toward a non-union mine. At Whitehall, State Patrolman Harold Wade said striking UMW members were in an ugly mood over the incident and there was talk of their arming themselves.

At Grundy, Va., Johnnie Compton, 23, was killed in a rock fall that buried the truck in which he was hauling non-union mined coal. An employee of a strike-bound mine was questioned several hours, then freed.

Coal is being dug. One fifth of Lewis' miners—80,000 anthracite diggers in eastern Pennsylvania and about 20,000 bituminous miners in 10 western states—trooped back to the pits yesterday.

Lewis himself ordered them back since their output—mostly for home heating—won't hamper contract talks with mine owners.

Additionally, 15,000 non-union miners and 15,000 AFL Progressive union miners in Illinois are working.

In Utah the situation is tense. Some 4,000 UMW members said they would not return to work—that they'd picket non-union mines, instead.

Arrested on Drunk And Hit-Run Charge

Held on a drunk charge, Philip Weber, 2427 South Cottage, was arrested on a charge of hit-run driving Monday night when he sobered sufficiently to hear the warrant read to him in jail.

Weber was originally arrested Sunday evening on a drunk charge by a patrolman who was advised that he had been involved in at least one case of falling to remain at the scene of an accident.

He was released from jail on \$15 bail Monday morning on the drunk charge. Later, a warrant for his arrest on the driving count was issued.

When officers found him at 3:30 p.m. Monday, they jailed him again on a drunk charge.

Death Gives Child to Father

The state supreme court today dismissed a suit for custody of a child after the mother was killed in an auto accident.

The suit, brought in Linn county, was by Mrs. Maxine Mignot against her husband, Ernest Mignot.

In the lower court, Circuit Judge Victor Olliver gave the child to her mother, and the father appealed.

The supreme court heard the appeal September 6, but only a week before that, Mrs. Mignot was killed. So now the father gets the child.

The opinion was by Justice James T. Brand.

Other decisions today: J. E. St. Clair vs. George S. and G. M. Jelinek, appellants. Appeal from Multnomah county. Suit for damages to automobile caused by falling tree. Opinion by Justice Brand. Judge Frank T. Loneragan, affirmed, with \$342 damages awarded to St. Clair.

Marie Elise Morrow, appellant, vs. Claude E. Morrow, appeal from Benton county. Suit for divorce. Opinion by Justice J. O. Bailey. Judge Victor Olliver, modified.

Michael Sweeney from Galway, Ireland, in Galie; Charles Chong from Singapore in Hokien Chinese; Steve Kwan from Peiping in Mandarin Chinese; Astrid Tarem from Estonia in Estonian; and Bying Koh from Korea in Korean.

Among the others introduced was the president, George Alexander.

As the meeting came to a close Dodd told the group "The drive is a challenge to all you workers." He drew their attention to a group in the back of the room representing four different classes of people saying, "There are 50,000 more people just like them. Let's go get them."

Representing the various professions and in costume were Al Loucks as a truck driver; Dr. John R. Goldsmith, the professional group; Mrs. Frank Turner, the secretaries; and William L. Phillips, Sr., the business men.

Serving at the breakfast were a group of Tri-Y girls and flowers used in the decorations and donated for the state prison by George Alexander were arranged by a group of women including Mrs. Lewis Judson, Mrs. Lee Canfield, Mrs. Charles Cole and Mrs. C. A. Kells.

Doing the publicity for the drive are Charles Barclay, J. Gordon Thornton, George Arbuckle, Jr., Bill Smith, Bill Exline, John Goodenberger, Harry Johnson, Wally Cowen, Ernest L. Crockett and Nels Tanning and the McEwen studio who took pictures for the drive.

Divisions, their leaders and quotas for the drive are: Automotive and transportation, William L. Phillips, Jr., \$10,550; contractors and builders, Russell Pratt, \$9,500; educational, Carl Aschenbrenner, \$3,860; general gifts, Robert White, \$9,990; governmental, George Alexander, \$9,500; industrial, William Shinn, \$13,600; mercantile, Dave Holtzman, \$16,200; professional, Francis Smith, \$11,600; rural, R. M. Kelly, \$3,000; utilities, T. W. Lowery, \$3,560; West Salem, Rex Gibson and Junior Exley, \$2,650.

The women's division, this year, divided into three sections with three chairmen, Mrs. George Spaur, Mrs. Robert Wilson and Mrs. Elmer Church, has a total goal of \$10,990. Broken-down it is North Salem, \$2,000; Central Salem, \$6,480; and South Salem, \$2,510.
