New York, Oct. 5 (AP)—Lady Iris Mountbatten, a cousin of King George VI, deplored London reports today that she was penniless and living on the charity of American friends. The trouble is English financial regulations and devaluation, said the blond, 29-year-old British beauty who is well-known in New York's cafe society set.

### Salem Men to Hear Jackson

J. Hugh Jackson, dean of the graduate school of business at Stanford university and president of Kiwanis International, will address a joint meeting of the Kiwanis club and Chamber of Commerce of Portland at noon Monday, October 10, at the Hotel Multnomah. A number of Salem Kiwanians will attend.

This will be the California educator's first appearance in the Salem area since his election as president of the community service organization, which embraces 200,000 business and professional leaders in more than 3,000 communities throughout the United States, Canada, Alaska, Hawaii and Yukon Territory.

Dean Jackson, who resides at Palo Alto, Calif., will base his address on Kiwanis International's 1949 administrative theme, "Aggressive Citizenship—Our Individual Responsibility." Long active in educational and business circles, Jackson is a past president of the American Accounting association, the National Association of Cost Accountants, and the American Association of Collegiate Schools of Business. He is a frequent contributor to business and professional publications, and author of four well-known volumes on accounting.

### Vet Building Case Unsettled

Two of the seven trustees for the building corporation that attempted construction of a memorial building for veterans under DAV auspices did not sign an agreement for dissolution, David M. Brown, national DAV commander, reported, so another method will be used to settle the controversy.

Brown came here from Ohio to attempt settlement after work on the building was halted and the contractor sued for a claim. Brown proposed dissolution of the corporation, sale of the property and a pro-rata return of money to donors.

Robert W. De Armond, attorney, will represent Salem Chapter No. 5, DAV, in the controversy, Brown said before leaving the city Wednesday. He said his instructions had been to attempt a peaceful settlement, and if that could not be done, to ask the courts to award the chapter total equity in the property.

### Wise Mother FINDS NEW RELIEF!

For STUFFINESS, COUGHS of COLDS

Wise mothers know how really effective Vicks VapoRub is when you rub it on.

Now, they know for new, amazing, all-family relief when there's much coughing or stuffiness... it's wise to use VapoRub this special way, too... in steam! It brings relief almost instantly.

Put 1 or 2 good spoonfuls of VapoRub in a vaporizer or bowl of boiling water, as directed in

package. Then... breathe in soothing, medicated vapors. Every breath eases coughing, relieves that "chokey" feeling. For continued relief—even while you sleep—rub it on, too.
