Ingredients: 1 pound (about) small seedless grapes, 1 three-ounce package cream cheese, 2 tablespoons cream, 1 small head romaine, 2 large fresh firm ripe pears, sour cream, French dressing.

Method: Wash the grapes under cold running water and dry well between paper towels; remove from stems and cut each grape in half. Put the cream cheese in a small bowl and mash to soften; add cream and mix well. Wash romaine under cold running water, trim off core, separate and dry leaves well. Put some of the outside green leaves and some of the small inner yellowish leaves on each of four salad plates. Peel the pears, cut in half, and with a small sharp knife cut away core, leaving halves intact. Place a pear half, flat side down, on each plate; cover well with cream cheese. Now stud each pear with grape halves, putting the grapes cut side down, so pear will look like a bunch of grapes. Pass both sour cream and French dressing with salad. Makes 4 servings.
