#### If You Haven't . . Here's Your Chance!

ONE DOLLAR is all that's needed to complete the Salem Community Chest Drive for 1949. One dollar from each person who has not yet had a chance to make his contribution. Actually the Chest needs \$15,000, in all to reach the goal of \$105,000, but YOUR dollar coupled with all those not yet included will do the trick. Please send your dollar right now with this coupon. Address it to:

Salem Community Chest, 241 Liberty St., City And Thanks \_\_\_\_\_

Enclosed you'll find MY dollar to put OUR Salem Community Chest Over the Top.

## Mystery of Ghost Plane **Buzzing Tower Unsolved**

Mystery of the "ghost" plane which buzzed the CAA control ower at McNary field is as deep today as the fog in which the

still unidentified pilot disappeared Sunday night.

The unknown flier, from the type of craft glimpsed from the tower, could have flown a total of five hours with the amount of gasoline carried.

All communication facilities in the zone of the fog blanket which stretched as far south as Roseburg and north to Seattle where some lesser degree of density and "free" spots were reported, have been checked. No flight plans have been uncoverd not have been uncovered not have been described in the have been uncovered in the have been described ered nor known planes missing.

Though it is thought that the the money is coming from to pilot was a "smart cookie" even pay for it. though "dumb" enough to take off in such poor flying condi-tions, the possibility that he crashed in the hills near Salem has not been discounted but no dition to other provisions made

before a take-off, but they ig notifying anyone as to destina-tion or estimated time of return.

ne flew into the fog belt, during heavy rains and get dropped low enough to check pumps installed where they will his compass and get his bearings. Even though he had radio It is roughly estimated the pumps in the state of the most good.
