

Salem Foundation Presented with Iron Lung—Local officers of the National Foundation for Infantile Paralysis receive an iron lung and portable respirator purchased with funds obtained from a campaign spearheaded by the local arm of the Fraternal Order of Eagles. Shown is Dr. Floyd Utter of the Eagles presenting a \$900 check in addition to the respirators to Mrs. Faye Wright, Marion county chairman of the foundation. Victor L. Withrow of the Eagles' fund campaign observes the ceremony.

Iron Lung Presented in Ceremony at City Hall

One of the year's important civic events took place Monday afternoon when the colorful Eagles lodge presented an iron lung to the Marion county chapter of the National Foundation for Infantile Paralysis.

The lung, which gives Marion county equipment as good as can be found anywhere to fight polio, was purchased by the Eagles after sponsoring successfully a public drive for funds. It was presented by Dr. Floyd Utter, representing the lodge, and received by Miss Faye Wright for the foundation. It will be placed at Salem Memorial hospital.

The place of presentation was the main floor of central fire headquarters at City hall. The fire trucks were removed to the street to make room, and chairs placed on the floor. Some of these were occupied by the Eagles women's drill team in uniform.

The check for purchase of the iron lung was presented by Victor L. Withrow, chairman of the Eagles committee. Mrs. Wright commented the community spirit. She said the instrument gave

a feeling of security. She noted that in the 1949 March of Dimes the Marion county chapter received \$6500, but that \$9000 already has been spent on polio cases.

Persons speaking at the ceremony were Dr. W. J. Stone, public health officer; Dr. Robert F. Anderson, representing the Marion-Polk-Yamhill Medical society; Grant Murphy, county judge; Charles Barclay, representing Mayor Elfstrom; Victor Withrow, chairman of Eagles committee; Earl T. Newbry, secretary of state; and Governor Douglas McKay, who said that "as long as there is suffering among us there are jobs to be done."

To buy the equipment \$4000 was raised, but in addition was a check for \$900 which was giv-

East Salem Mothers' Club Considers School Problems

East Salem, Oct. 25—At the October meeting of the Auburn Mother's club held at the schoolhouse several items of business were considered that were in the interest of the school children, the school grounds, and the parents.

Mrs. Orval Prunk, vice president, presided in the absence of the president, Mrs. E. C. Sunderlin. Carl Thelen, a teacher of instrumental music for the Salem schools was present and asked for each parent who would like to have their child take part in an orchestra or band talk to him about the individual placing of each one, rather than as a group.

Miss Lucy McAfee, local girl scout counselor spoke on behalf of the Brownies who are this year old enough to be members of the intermediate girl scout troop. There are several of these girls who need only a leader to have their own troop, and are at this time being helped by a neighboring troop leader.

Reports of the executive board meeting were considered with several of the recommendations accepted. As a prize for the room having the best representation of mothers present at the meetings a book will be awarded each month. A percentage basis will be used for making the award. This month the room of Mrs. Velma Lavery was awarded the book.

The recommendation of the board as to the refreshment committee was amended to be that there will be one volunteer mother each month, and she will ask two others to serve with her. An exchange table will be set up at each meeting with outgrown clothing and uniforms placed on it, and the money from the sale of these will go to the club treasurer.

Dues will be \$1 a year with all mothers who are members paying, if they attend or not. Chairman of the special project committee called for volunteers on Saturday to help with some cleaning needed on the school grounds. The club meeting on Friday was announced. Serving as a refreshment committee were Mrs. Prunk, Mrs. Donald Jacobs and Mrs. Arthur Fiske. New members of the child ev-

angelism class of Swegle community meeting at the Elwin Imig home are Tommy SeRine, Oliver Olson, Mary Ellen Olson, Clifford Yost, Sue Hinkle, Larry James and Delbert Beach.

Edina Lane—The first meeting of the home extension club for the new year will be held Friday in the home of Mrs. Drew Michaels at 640 Edina Lane. As several items of business must be considered, including the election of new officers the meeting hour has been changed to 12:30. Window treatment will be the project discussed at the program hour.

Lancaster—The first meeting of this unit for the fall will be held Friday in the home of Mrs. Albert Fabry at 1425 N. 18th street in Salem. The subject for the project hour will be Unifying Home Furnishing.

Lansing Ave.—The regular meeting of the Garden club will be held at 1 o'clock Thursday afternoon in the home of Mrs. Edward Tobin on Lansing ave.

East Salem—Merry Minglers meet Thursday in the home of Mrs. Robert Pickerei on Lancaster drive.

Falling Limb Kills Man
Florence, Oct. 25—A falling limb at a Cape Creek logging operation killed Loyce Webb, 36, yesterday. He had been falling a tree with another worker. His widow and a son of Cushman, survive.

14 Wounded by Crazy Farmer

Waterford, Mich., Oct. 25 (AP)—A crazed, middle-aged farmer shot up two taverns last night, then killed himself after wounding ten persons.

On a mad spree with a shotgun Joe Runyon, 57, terrorized this sleepy little resort village in a begrudging farewell to the world.

Two of his victims, both women, were critically wounded. Tramping back and forth across a street, Runyon fired sev-

en or eight charges from a 12-gauge shotgun through windows of the two taverns, witnesses said.

At the end of a violent 10 or 12 minutes, he walked a short distance up the street and fired a final charge through his own chest.

This was the last in a series of rapid reloadings. Runyon's gun was a single-shot weapon.

Reported in critical condition today at Pontiac General hospital were Mrs. Irene Zurawski, 37, and her mother-in-law, Mrs. Helen Psciuk, 50.

It was at the Zurawski family's small bar where Runyon made one attack. Six persons were wounded

there and another four at the bar of the Waterford hotel.

Damage Claim Put in Reverse

Oklahoma City, Okla., 25 (AP)—Mrs. Gertrude M. Shea told a district court jury a facial treatment in a beauty shop here damaged her skin—permanently.

The shop, she said, should pay her \$33,286.

But the jury didn't agree. Instead, the jurors awarded the shop the \$170.71 its owners said Mrs. Shea owed them in unpaid bills.

Enlisted men of the Continental marines were green shirts, green coats with red facings, breeches of light-colored cloth, woolen stockings and round, green hats with white bindings.

on the foundation for treatment of cases. An amateur boxing card at the armory Wednesday night will add more to the fund.

BIG LOW PRICE DODGE GIVES YOU MORE FOR YOUR MONEY!

MORE room inside! Front seat six inches wider, "knee-level" for relaxing support. Seat rises as it moves forward for correct driver position... clear-view vision.

MORE usable luggage space—take along everything you need. Easier slide-in load ing—no sill to lift over. Spare tire at side, out of way, yet easily accessible.

Come in—learn about
AMAZING LOW DOWN PAYMENT
Coronet Meadowbrook Wayfarer
with gyrol Fluid Drive
Liberal trade-in allowance on present car will probably more than cover small down payment. Easy monthly installments. Drive a new Dodge today!

You could pay a thousand dollars more and still not get all the extra roominess... ease of handling and famous dependability of today's big rugged Dodge!

IT'S HARD to believe your eyes when you look at the low price of today's big Dodge—when you compare what you get for so little more than you pay for the lowest-priced cars!

Here's more for your money in extra leg room, extra head room, extra elbow room. Here's more for your money in the big Dodge "Get-Away" Engine... gyrol Fluid Drive... and many other extra-value features Dodge gives you at no extra cost.

See, ride, drive the new Dodge at your dealer's now!

STAN BAKER MOTORS

525 Chemeketa St.

Salem, Oregon

Many Long Distance operators now ring telephones in a number of cities across the country...much as you dial a call.

SHE "PUSH-BUTTONS" CALLS COAST-TO-COAST

New system can put through calls in 30 seconds

1. One of our newest developments to speed your Long Distance calls is this push-button equipment. Precise in operation, so complex it's almost a mechanical brain, it's a key to a system which permits an operator to call straight through to telephones in other cities...practically as fast as dialing across town. Push-button or dial equipment now is used for three out of four calls between cities.

2. Quicker call completions are one big advantage of the operator push-button system. If you know the number—instead of just the name and address—we can ring the telephone you are calling in an average of about thirty seconds after you lift the receiver. That's three times as fast as we can serve you if you don't know the number. So it's a good idea to keep a list of those you call often.

3. Perhaps your next Long Distance call may be handled this way. For the new plan is part of our continuing program to improve all service—local and Long Distance—to make it more valuable to you. Today your telephone is a bargain. A daytime station call to any point on the East Coast is only \$2.50 plus tax...the lowest rate ever.

Your telephone is one of today's best bargains
