

Free Wine at Grape Fete—From this fountain flowed more than 1,000 gallons of wine during the annual grape festival at Marino, Italy, wine-producing center near Rome.

### Dallas Takes Counter Steps To Offset Halloween Pranks

Dallas, Oct. 22—Not much malicious damage is expected in Dallas on Halloween night, Monday, October 31, because of the friendship cultivated over a period of years with the young goblins, witches and ghosts by the local American Legion post and the community as a whole.

### Court Halts Welfare Cut

Olympia, Oct. 27 (AP)—The court order temporarily restraining the state department of social security from putting into effect its planned cuts in welfare grants raised anew today the possibility that Governor Langlie might have to call a special legislative session to raise taxes.

The proposed slash would have saved the state approximately \$851,000 a month—or roughly \$14,000,000 if carried out accordingly over the remainder of the biennium. Whether the order, issued yesterday by Superior Judge Charles Wright, will be made permanent is to be decided later. Opposing counsel and Judge Wright will confer November 4 on a date to hear the case on its merits.

### Radar Defenses To Be Employed

Seattle, Oct. 27 (AP)—The Pacific northwest's newly established radar screen and fighter defense groups of the area will be employed Nov. 4 to 14 in major air defense exercises. Details of the large scale maneuvers were disclosed by Gen. Hoyt S. Vandenberg, chief of staff of the air force, to Sen. Warren G. Magnuson and Reps. Henry M. Jackson and Hugh B. Mitchell.

Mitchell told the Seattle Times that while the exercises will not be an actual test of the defense system, it will simulate the tactics which might be encountered and employed in an attack—meaning that the bombers will be the attackers and the fighters the defenders.

High altitude B-29 and B-40 bombers of the 4th, 12th and 15th air force will attempt to penetrate the radar and fighter air defenses. At least 200 planes and 5,000 officers and men will be sent to the Pacific northwest from widely scattered fields.

Large formations of jet fighters including F-86s and F-48s will lead defender groups, which will include regular army, air national guard and naval reservist units, Vandenberg said. Operational control of the ex-

Those who usually do the haunting will be organized again for the annual parade and prize competition sponsored by Carl B. Fenton post and will be too busy to "cause a rumpus"—barring the usual "trick or treat" of course.

Children in the Dallas schools and nearby rural schools will dress up in costumes appropriate for the season and meet for judging at the elementary school at 7 p.m., according to John Greenwood, chairman of the committee in charge. Pupils through the sixth grade will participate. Prizes will be awarded to a grand champion, two grand prize winners each for boys and girls, two winners each for boys and girls in each room of the schools, and in addition all participants will receive a candy bar. A division is also scheduled for pre-school children.

Following the judging, the children will parade down Main street following the big new fire truck and the Dallas high school band. At the city hall, prizes will be presented with Bill Dalton acting as master of ceremonies.

In the event of inclement weather, the whole affair will be held in the elementary school auditorium.

On the Legion committee are Greenwood, Orlando Peters, Bob Dalton and Bill Wood. Other Legionnaires will assist with the crowds and award prizes.

Prizes have been contributed by Dallas merchants.

**60 Polio Cases in Epidemic**  
Eugene, Oct. 27 (AP)—The last count of cases handled in Sacred Heart hospital this year was made just two weeks ago and showed that about 60 cases had received or were receiving treatment. Hospital officials expect this to be the peak month for new cases of the disease.

This week the hospital revealed that the total is 71 cases to date. And last week-end Lane county had its first polio death.

ercises will be under Maj. Gen. John E. Upston, commanding general of the 25th air defense division.

The planes will base at Moses lake, Paine field near Everett, Geiger field at Spokane and Portland municipal airport.

Headquarters will be at a station near Silver lake in Snohomish county. Lieut. Gen. Ennis C. Whitehead, commanding general of the air force continental defenses, will witness the exercises.

# IGA Fall Festival
