

Hunter Watches Pal Fall to Death

Ketchikan, Alaska, Oct. 27 (AP)—An Alaskan hunter who spent the night on a narrow ledge, 150-feet above pounding waves after he slipped and fell from the cliff, today described how a friend hurried past him to his death on rocks below.

Cecil Simpson, Metlakatla, Alaska, was rescued by the coast guard cutter White Holly. The vessel's block and tackle had to be used to lift him from his craggy perch.

Simpson told rescuers he watched horrified as his companion, Lawrence Frish, also of Metlakatla, fell from the top of the 300-foot cliff shortly afterwards.

A southeast gale with winds of 45 miles an hour buffeted Simpson, and several times rescuers at the top thought Simpson had lost his grip and plummeted to the foot.

The men, members of a hunting party, were first missed when they failed to return to their seiner, the Mary Eleanor, Tuesday night. Other members of the party searched for the pair, finally locating Simpson stranded on the ledge.

PTA County Head Makes Visitations

Mrs. Ralph B. Sipprell, of Keizer, president of the Marion county council of the Parent-Teacher association, made an official visit to the Deanna PTA association this week. Membership is drawn from Detroit and Idanha.

She was accompanied by Mrs. C. A. Fratzke, of Independence, vice president of region IX of the Oregon congress, who conducted a round table discussion on the aims and accomplishments of PTA groups in the welfare of children and parent education. She also explained the relationship of the local association to the county council, state and national congress and internationally.

Mrs. Sipprell has made official visits this year to the PTA groups at Keizer, Stayton, Gervais and Deanna units and will visit each of the remaining units at regular meetings during the next few months. Her schedule calls for a visit to the Brooks unit November 1; Scotts Mills, November 3; Mill City November 9 and Aumsville November 21.

Eggs Skid; Coffee Shoots up Six Cents

Portland, Oct. 27 (AP)—The price of eggs skidded again today on the heels of a similar drop yesterday.

A major dealer said the drop of 3 cents and yesterday's decline of 2 and 4 cents stemmed from a big break in egg prices in eastern markets.

Coffee prices went up, however, as much as six cents a pound on some brands. Standard canned brands that had been selling at about 55 cents jumped to 61 plus. The average increase of lower priced coffee was 5 cents.

Demo Party Leader to Wed Justice of Peace

Oregon City, Oct. 27 (AP)—Harvey G. Starkweather, democratic party leader here, and Mrs. Edna Marie Thiessen, a justice of the peace at Milwaukie, plan to be married Sunday.

The wedding will be at the bride's home. The bridegroom is a former Clackamas county school superintendent and has held several state board positions.

Franco Gesticulates—Generalissimo Francisco Franco of Spain (right) gesticulates with both hands as he engages in earnest conversation with Portugal's premier, Antonio Salazar, (left) in Ajuda Palace, Lisbon, during reception, in honor of Franco's five-day visit to Portugal. Between them is Alberto Martin Artajo, Spanish foreign minister. Franco is on his first official visit to his Iberian Peninsula neighbor. There is speculation that the visit has to do with Spain's possible position in the European defense scheme. (AP Wirephoto)

Chinese Reds Hold U.S. Envoys

Washington, Oct. 27 (AP)—Secretary of State Dean Acheson said today Chinese Communist authorities on a "flimsy pretext" had refused permission for a high-ranking U.S. military attaché to leave China. He warned that the United States would not stand for it.

Acheson said also that three American consulate staff members in Shanghai also have been prevented from leaving.

Acheson said Brig. Gen. Robert B. Soule had been refused an exit visa in Nanking "as a result of a demand from certain U.S. government Chinese employees that Gen. Soule remain in Nanking until settlement of their demands for exorbitant severance pay."

In a statement Acheson said the U.S. "takes a serious view of the flimsy pretext used by the local authorities to prevent departure of an American official from China in contravention of generally recognized principles of international law."

As for three American consulate staff members in Shanghai, Acheson said all three had complied with regulations and been informed that there was no objection to issuance of their permits. However the day before their ship was to sail they were notified the permits were "not ready" Acheson said.

Argue Over Gun; One Injured; Other Jailed

Portland, Oct. 27 (AP)—A shooting that stemmed from an argument over a hunting rifle put one man in a hospital yesterday and another in jail.

Charged with assault with a dangerous weapon is William B. Schaeffer, 65, who was quoted as saying "I had to shoot him" after sheriff's deputies arrived at his gun shop. There they found Sidney U. Carrick, 57, wounded in the face by a .410 gauge pistol shot.

Deputies said Schaeffer related: "He wanted to fight me. I locked the doors. He beat down the doors. He kept coming at me. I ran for the gun. I told him I would shoot if he kept coming."

Poultry Workers End Walkout

Portland, Oct. 27 (AP)—Workers at Oregon Egg and Poultry Dealers association plants went back to work today under a wage agreement to be ratified by the AFL union membership.

The agreement, announced last night by George Walker, U.S. conciliation service commissioner, ended a week-old strike. Walker did not disclose the terms. The union originally had asked a 7 1/2 cent an hour boost.

Meanwhile, negotiations were resumed today in the week-old strike of AFL office workers at six wholesale grocery warehouses. Federal Conciliator Leo Kotin was hopeful of an early settlement.

The grocery dispute, supported by AFL teamsters who haul the foodstuffs to stores, was beginning today to cause minor shortages of some items at independent stores. Canned meats and fish and sugar were short at a few stores. Chain operations with their own warehouses were not affected.

Membership of the post now stands at 1770 according to John C. Kerrick, membership chairman. Named to the 1950 committee are Kerrick, chairman; Ira Pilcher, Ray Bassett, Ted Brabee, George Edwards, Al Fien, Fred Gahlsdorf, James Garvin, Jess George, George Henderson, Hans Hofstetter, Bob Jacobson, George Manning, Claude Martin, William Mulligan, Les Newman, John Olson, B.
