

## Campus Clippings

Oregon State College

By MARILYN HILL

With hoarse voices students entered this midterm examination week with the attitude "if I live through this, I can live through anything."

The "Beaver Fever" of homecoming week-end was contracted by all who came to the campus, even the Beaver football team. Homecoming was jammed to overflowing with activities for both students and alums. Friday night seemed to be the gayest of the evenings. The men of Sigma Chi scored an undisputed victory in the noise parade when their entry rocked the official sound meter with a 135 blast. In the decorative realm the freshmen women of Waldo first floor took the honors.

The freshman bonfire was held following the parade with an unexpected added attraction. The men of Phi Gamma Delta dressed in grass skirts and covered with black from head to toe, mocked the Fiji Islanders in primitive dances around the fire.

House signs followed the "Beaver Fever" theme with winners chosen from the four types of living groups. In the fraternity division Phi Delta Theta won with their four-in-one house sign depicting the slogan using a flashing light sequence. Sorority winner was Alpha Xi Delta using a sentimental motif, "something old, something new." Central dorm took the honors in the independent men section with their sign which showed Benny Beaver galloping down the gridiron, stiff-arming the WSC Cougar on the way going for a touchdown. Winston House, women's independent winner, showed a hospital scene with the prostrate Cougar on the operating table.

Alums found the week-end packed with activities and old friends. The barbecue was a big success as usual with several hundred pounds of beef being devoured by the guests. Talons Janet Lindley and Claralyn Lee were on hand all day to help the visitors.

Nearly 200 OSC students received awards for scholarship at the annual Honors Accolade, sponsored by Phi Kappa Phi, national scholastic honorary. The honors were awarded for sophomore work for the first time this year.

This week-end being one of the few free in the term, will

be the time for many house dances and other events. The Sigma Chi sweetheart ball, the foresters ball, plus twelve other house dances will take place on Saturday night. Friday night will feature numerous firesides. The half-way mark has been reached for the fall term with six weeks remaining until final week. Within these six weeks many events—including the football game with Oregon, the Sophomore Cotillion, and the speech department play will help the weeks to fly by as the first six have.

Zipper holds best if they are stitched on by machine rather than by hand. Stitch the zipper tape to the fold of the goods, close to the metal of the zipper, then trim off any extra fabric to the width of the tape, and stitch so there will be no loose ends to catch in the zipper.

Design in Stamps—Mrs. Virginia Woodin, of Arlington, Va., stands beside a large doll costumed in cancelled stamps from her collection for a hobby show at Washington, D. C.

Best Dressed, Jr.—These wise young sisters know their fashions, as witness their 1950 coats in bright red suede cloth by Hockanum, with dressmaker details.

## HOME BEAUTY TREATMENT

### Change-of-Season Looks

(AP Newsfeature)

This is the time of the year when your skin resembles dirty old parchment. You watch your diet, go to bed early, cleanse your skin, but still your face gives an indication of dissipation.

It happens every fall and spring, that change-of-seasons look. The only thing that seems to help is a good mask or a special stimulating cream or other preparation that will slough off the parched dryness and stimulate the skin.

Some people are partial to special cleansing preparations which are meal-like cleansers closely resembling ground up oatmeal. You mix a quantity of Mrs. Myrtle Hall and Mrs. Addie Doud.

It was also planned to hold a combination food sale, rummage sale and bazaar on December 3. The committee on arrangements for this event includes, Mrs. Arthur Burt, Mrs. Fred Frenz and Mrs. J. B. Gay.

Refreshment committee for the next meeting, Nov. 15, is Mrs. Dorothy Garrett, Mrs. Lottie Mathews and Mrs. Charles Conyne.

After the meeting a humorous skit was given, directed by Mrs. H. A. Lohse, entitled "A Man Arrived." Taking part were Mrs. Fred Frenz and Mr. and Mrs. Charles Conyne.

A no-host lunch was served by Mrs. Alfred Moon, Mrs. J. B. Gay, Mrs. Roy Kay and Miss Mabel Livesay.

the meal with just enough water to make a thin paste. The mixture is then applied to face and neck. It dries on the skin and then is whisked off briskly with fingertips or dry cloth. Then skin is washed with warm water and patted with a tingling cold water rinse.

This face pick-me-up gives a gentle friction as it flakes dull, discolored skin. It helps remove surface blackheads and blemishes due to clogged pores and leaves the complexion fresh and clear.

If skin is inclined to be dry, a little vegetable oil or cream after this special cleansing will help. Oily skin will like astringent lotion patted on after the cleansing.

If your skin really is sallow and dingy, use this special cleansing preparation every day for a week. After the first week, you will note improvement, and treatments can be cut to three times a week, then to twice a week, and finally to once a week.

Drink enough water, eat enough green vegetables, cleanse your skin sensibly, and your complexion can be youthful, even when you are an old lady. Home treatments can do it very effectively. You need not envy movie stars who can run to beauty parlors every day to have facials. Most of them consider it a chore, and besides do not like to look forward to wrinkles, often the aftermath of too many skin-stretching facials.
