# Grain Prices Are Sustained

Some flour sales were made overnight to Holland, and lifting of hedges against these sales by mills save what a firm tone.

One weak spot in the grain market was July wheat. It sold off because of an estimate yesterday by an agriculture department official that support levels next year would be about 10 cents less than this year.

Wheat closed 3/4 lower to 1 1/4 higher. December \$2.13 1/4, corn was 1/4 lower to 1/8 higher. December \$1.19 1/4-1/4, oats were 5/8-1/2 higher, December 73 1/2, rye was 3/4 to 1 cent lower, November \$2.23 1/4-\$2.24, and lard was 2 to 12 cents a hundred pounds lower. November \$9.45.
