

End of 100 M.P.H. Chase—Sailors John Gancheff and Harry Maki, occupants of stolen car (top), were being chased by highway patrolmen at an estimated 100-miles-per-hour in Oakland, Calif., when they crashed into a car driven by Paul Tehero (bottom), slinging it around a utilities pole. Tehero was seriously injured and is near death. The sailors escaped with minor injuries. (Acme Telephoto)

Order of Payment of G. I. Insurance Dividend Given

Washington, Nov. 4 (AP)—The order of payment of the \$2,800,000,000 special insurance dividend to World War II veterans will be based generally on the last three digits of a veteran's service serial number.

The veterans administration explained today for the first time the system under which checks will be mailed to veterans holding national life insurance policies. Payments are to begin in January.

Under the procedure, VA said, a veteran whose serial number ends in 000—35,496,000 for example—will be included in the first mailing of checks.

On the other hand, a veteran with a serial number such as 100,990 will be among the last

claims has nothing to do with it.

Applications will be broken down into groups as they are received. These groups then will be separated into ten processing units by the last serial digits—0 to 9. There is a voucher writing machine for each of the ten groups, and it is hoped to handle a total of 200,000 accounts daily. This will be reached by drawing out 20,000 cards from each of the ten final-digit groups.

After all last digit serial numbers 0 to 9 have been processed, the procedure will be repeated based on the second digit.

About 16,000,000 veterans are eligible to receive the payments.

About a quarter of Austria's population lives in Vienna.

French Lowest Paid Workers Get Bonus

Paris, Nov. 4 (AP)—The French cabinet decided today to give living cost bonuses up to 3,000 francs (\$8.50) to low paid workers this month.

If any bonuses are to be paid in succeeding months, they will have to be voted by other cabinet sessions. The money is intended to tide over workers until free collective bargaining can be reestablished.

French non communist labor unions are asking more than that, but wage-demand strikes so far have been small and sporadic.

The bonus is aimed at bring-

ing all workers up to a minimum 15,000-franc monthly wage.

Crabbing Begins
Newport, Nov. 4 (AP)—Crabbing was under way in the bay here today, with about 20 boats fishing. A fish company, buying the crabs to bait crab pots for the ocean crab season starting November 15, is paying 8 cents a pound. The season's final tuna catch was delivered here

The scientific name for jungle cat is Felis chaus.

Campus Clippings UNIVERSITY OF OREGON

By CHARLOTTE ALEXANDER

Sophomore Whiskerino was a great success. The decorations consisted of a clothes line effect, with tattered old clothes attached. Above the bandstand was a big roof, giving the appearance of a hill-billy's home. Many Salem people were there to enjoy the dance. Beverly Krueger, Margie Becke, Crystal Huntington, Allie Lou Ohling, Roberta Tussing, Jane Carson, all were there with their escorts . . . Salem two-somes, Doug Carter and Marianne Bone-steele, Barbara Sundet and Wilson Wilt, Irene McLeod and Del Kleen.

Six candidates have been named for Homecoming Hostess. These girls will be voted on by the student body this week. The winner will be presented at the Portland game.

A rally was held Sunday to welcome back the team from the Iowa trip.

We students are keeping healthy. Gamma Alpha Chi, the advertising honorary, has been sponsoring an applesale. It seems the Oregon campus will take care of the surplus of apples that news commentators have been talking about.

The foreign movie club is bringing to the campus this year a fine series of foreign films. The first one to be presented is "Symphonie Pastorale."

Monday night pranksters opened with an overload bag of tricks, and left conspicuous evidence of their visits about the campus. The Oriental art museum had a sign in front which read, "Sandy McTavish School of Ballroom Dancing—Acrobatic and Tap." Doorways were found blocked by cars.

This week-end it's off to Portland. Friday night a big rally will be held at the Paramount
