

## New Air Mail Stamps Issued

Two new stamps honoring the 75th anniversary of the Universal Postal Union will be placed in circulation this month by the post office department. Both are of air mail classification, 10 and 25 cent denominations.

The 10 cent stamp will be placed on first day sale at New Orleans, La., Nov. 18. The 25 cent stamp will be first released Nov. 30 at Seattle.

The central design of the 10 cent stamp pictures the post office department building in Washington. To symbolize the Universal Postal Union, a reproduction of a statue in Berne, Switzerland across which appears a two motor plane in flight can be seen in the upper left corner.

The 25 cent stamp depicts the world with a modern four motor airplane in flight over the Pacific ocean.

Stamp collectors, desiring first day cancellations of these two stamps may send a limited number of addressed envelopes, not in excess of 10, to the postmasters at the first day sale points. Payment in postal notes is suggested. No stamps will be accepted.

## Week Devoted To 4-H Clubs

This is National 4-H Achievement week for the nearly two million boys and girls who are members of this fine organization. To be identified with a 4-H club is a badge of distinction which will be awarded to approximately 2500 boys and girls who completed projects in Marion county in 1948-49.

Anne Bergholz, county extension agent, in this county, emphasizes that "adults who are concerned for the future of this generation can do no better service than that of encouraging and assisting the 4-H movement by recognizing work well done, providing leadership and support and making greater participation possible."

4-H clubs represent the largest rural youth organization in the world. Numbering nearly 2,000,000 boys and girls between the ages of 9 and 21 years, they are enrolled in over 80,000 clubs throughout the United States, as well as in Alaska, Hawaii, and Puerto Rico. England, Norway, Sweden, Denmark, Finland, Cuba, British possessions of the Caribbean, Venezuela, Peru, Korea, and other nations also have 4-H clubs or similar organizations.

Miss Bergholz points out that each 4-H member does one or more phases of project work, under supervision of the county extension office and local volunteer leaders, that will demonstrate or teach better ways of homemaking and agriculture. 4-H boys and girls are practicing democratic procedures and learning in their 4-H clubs to have a deeper appreciation of the democratic way of life.

4-H is also available for city youth in Salem. Salem is the second city in Oregon to have a

full-time city agent in 4-H work. Anthol Riney and Anne Bergholz are both full-time county extension agents doing 4-H work.

## Linn County Plans Quiet Armistice Day

Albany—For the first time since its inception Armistice day will pass unobserved at Albany. It was revealed through a survey of veterans' organizations which had heretofore participated in observances.

Passing of Armistice day here was attributed to two major circumstances, the scheduling of the Albany-Corvallis football game on Hudson field for Friday night instead of in the afternoon, and to a state-wide tendency for conduct of business as usual, with Albany and Corvallis merchants joining those of Portland and Salem in a decision not to close, it was announced by Commander Tom Palmer of the American Legion.

## Oswego to Get State Office

Oswego, Nov. 4 (AP)—Construction of one of the 20 branch offices of the state motor vehicle division will start here at once, Realtor Paul F. Murphy said today.
