## Conversion Point Gives Huskies Win Over Ducks

Portland, Nov. 7 (AP) — The University of Washington posted a 21-20 halftime and then matched an Oregon fourth quarter touchdown here Saturday to score a 28-27 upset in Pacific coast conference play.

A missed extra point kick by Oregon's Chet Daniels, his first error after 17 straight boots, cost the Ducks the game. He got all the others, but Washington's Joe Rosenzweig collected on all four conversions to win the game.

A goalpost brawl, dispersed by police, topped the thrilling game witnessed by a capacity crowd of 31,600 fans. Husky rooters succeeded in uprooting one goal before the fight was halted.

Quarterback Don Heinrich threw nine passes and completed them all in setting up three first half Washington touchdowns. He scored two himself on sneak plays and fullback Hugh McElhenney plunged from the two-yard line for the other.

Then in the fourth, while Oregon defenders watched for more passes by Heinrich, the Huskies drove 65 yards to score. Fullback Gene Norton plunged two yards for the touchdown.

Oregon scored once in the first period and twice in the second. Passes from Quarterback Earl Stelle to end Farrell Robinson accounted for two touchdowns, and fullback Bob Sanders plunged the last 5 yards of an 80-yard march for the other.

The last period Oregon touchdown came on a pass from Stelle to halfback John McKay.

## OSC Overcomes Vandal Lead to Score, 35-25

Moscov, Idaho, Nov. 7 (AP)—Oregon State recouped from two early Idaho touchdowns and then went on to defeat the Vandals, 35 to 25, in a Pacific coast conference game here Saturday.

Halfbacks Ken Carpenter, Dick Gray, end Stan McGuire and passing quarterback Gene Morrow figured in the OSC upsurge that turned the tide.

Idaho pushed across their two initial touchdowns on the left end sweep and a pass before OSC got underway.

But two Beaver scores in the second quarter, plus Stan McGuire's extra point kicks, put the Beavers in front, 14 to 12. Then after both teams scored in the third quarter, Oregon State piled in two fourth-quarter touchdowns. The Vandals could muster but one more—a 92-yard pass play—late in the game.

Oregon State rallied after the kickoff following Idaho's second score. While Morrow backed off for a pass, Carpenter broke into the clear, hung on to the throw and ran 40 yards to score. McGuire kicked the first of five conversions for the game.

The other touchdown followed Morrow's 20-yard pass to McGuire. He went to the Idaho 13 and Carpenter went over from there. The extra point set the halftime at 14-12.

In the third quarter, Morrow's 15-yard pass to McGuire in the end zone capped a 74-yard drive. Idaho passed and ran 72 yards for a touchdown in the same period.

The Beavers added two more touchdowns in 35 seconds of the fourth quarter. The first came when Dick Twenge buck-

## Football Scores Now Mean Little

(AP Newsfeature)  
Fort Worth, Tex. — Howard Grubbs, coach, scout and student of the game of football for 20 years, says scores today mean nothing at all.

The athletic director of Texas Christian university who quarterbacked Texas Christian's first South west conference championship team in 1929, had this observation in discussing the big scores run up in grid games.

"It did use to be that if one points that you knew for sure which was the better team. It could be certain that if they played a hundred times under any kind of weather and field conditions that the same team would win. In other words, 40 points was a positive difference.

"That's not true any longer. In this modern football a team which gets beat 40 points this week may very well reverse that score against the same opponent next week."

Scout Walter Roach of Texas Christian, who watched Kentucky run up a 47-0 score against Mississippi, still says, in all sincerity, that he would, if the teams were playing again and he had to make a choice, pick Mississippi to win.

## Vikings Work Out For Crucial Game With Axemen Friday

Salem high's Viking gridders, riding in high gear after an impressive 26-6 win over Astoria, went to work Monday on the serious business of getting ready for the season finale.

An Armistice day jaunt to Eugene for a game scheduled with the Axemen at 8 p.m. is the target for the Vikings. The game holds part of the combination to the Big Six league championship and the district crown.

Salem, Eugene, Corvallis and Albany are tied for Big Six honors, each with one defeat and three victories. While Salem and Eugene battle for a chance to tie the league, Albany and Corvallis will square off for a similar goal.

A victory for Salem could give the district crown and a chance in the state playoffs.

## Doom for Football At Walla Walla

Walla Walla, (AP)—College of Idaho's 31-19 Northwest conference victory over Whitman Friday may have been just about the last straw for the missionaries in intercollegiate football.

Graduate Manager Frederic Santler checked the boxoffice, found only 158 paid admissions and said in effect that as far as he was concerned "that's all brother."

His actual words were "That marks the beginning of the end for Whitman . . . This game cost approximately \$750; that means we are short about \$600 and we are about \$4,000 in the red so far; we just can't go on like this."

## Senator Negotiators Meet with Mulligan

Negotiations looking toward the sale of the Salem Senators by the Portland Beavers to a group of local men headed by Howard Maple were taken up during a conference of those interested in the deal Monday afternoon.

While Maple had discussed the matter with Bill Mulligan, business manager of the Beavers, and George Emigh, business manager of the Senators, last week, Monday's conference was the first time all five prospective purchasers met with the owners.

Maple submitted a proposal to Mulligan last week who in turn conferred with George Norgan of Vancouver, B. C., principal owner of the Beavers. Maple said he had no intimation whether his proposal would be acceptable although he had Mulligan's assurance that Portland would like to liquidate their Salem interests.

## Stanford Holds Rose Bowl Key After 34-13 USC Win

By HAL WOOD

San Francisco, Nov. 7 (AP)—A brilliant band of Stanford university sophomores who finally came of age in the game of football with a thumping 34-13 victory over University of Southern California on Saturday, today held the key to the Rose Bowl.

With a spotty record that included two defeats—one by mighty Michigan and another by UCLA—and a tie with Santa Clara, the Indians still could make it to the Pasadena New Year's day classic if:

1—They can beat little Idaho this Saturday.  
2—Follow that up with a victory over unbeaten California on Nov. 19.

With a band of youngsters

including such first-year stars as Quarterback Gary Kerkorian, Halfback Harry Hugasian and End Bill McColl, the Stanford club has been improving with every game—and apparently has the stuff to knock over any team on a given day.

They'll have their work cut out for them, of course, when they meet undefeated California in the traditional "big" game of the year. The Golden Bears, rolling along with the same ease they did while going through the regular season last year, now have eight straight victories this season—and a record of 15 straight wins in conference competition without a loss. Their latest victim was Washington State, walloped 33-14, Saturday.

While the Bears, if they

## Prep Gridders Suffer Burns in Molalla Contest

Molalla—Belief that a quantity of caustic, unslaked lime, may have accidentally been placed in a bag supposedly containing hydrated lime and precipitated chalk, was expressed by school authorities at Molalla after four Molalla and four Woodburn high school students were treated for chemical burns apparently caused by material used to mark the football field here Friday night.

All eight boys were immediately treated with vinegar washes to neutralize the lime and then taken to a Molalla physician for further treatment. None of the burns are regarded as serious.

## Nine Colleges Fall from Ranks of Undefeated

New York, Nov. 7 (AP)—Nine more college football teams tumbled from the perfect record precipice over the week-end, leaving a high class field of 26 which have yet to taste defeat or be tied in this dizzy gridiron season.

Eight of the teams proudly sporting clean slates were major leaguers, Army, Cornell, and Boston University from the east, Notre Dame from the midwest, Wyoming from the Rockies, Virginia from the south, California from the far west, and Oklahoma from the southwest.

Two big time teams were in on the humpy-dumpy tumbles from the top. They were Baylor and Fordham and they joined Lawrence of Wisconsin, Xavier of Cincinnati, Wheaton of Illinois, Baldwin-Wallace of Berea, O., and Florida State in the rubble of broken dreams.

Lin Bend of the St. Paul Saints of the U.S. Hockey league is a cousin of Bryan Hextall, one of the New York Rangers' former great stars.

You know, I like this business of thinking about Christmas in advance. Why not keep Christmas spirit the whole year! Yup . . . that's horsensense, if you'll pardon the expression.

By the way, how are you looking for Christmas? If you're like me you could stand a change of cloth, which leads me to this gentleman here.
