SHEER NYLONS 66c

So Delicate—So Sheer—So Long Wearing. For Sportswear—For Everyday Wear — For Date-time Wear.

The nationally famous manufacturer classes these as irregulars but the almost impossible to find blemishes do not affect appearance or wear.

You'll love them for misty sheerness, for fragile beauty that wears and wears. Seamless construction for close clinging leg and ankle flattery.

Buy three pair and get the wear of 5 pair. Buy now for yourself—for gift giving.
