Veal Parmesan
Ingredients: 2 1/2 pounds veal cutlets, 1 1/4 cup fine dry bread crumbs, 5 tablespoons grated Parmesan cheese, 1 teaspoon salt, 1/2 teaspoon pepper, 3 medium-sized eggs, 1/2 cup olive oil, 1 to 1 1/2 cups tomato sauce, 1/2 to 1 pound Mozzarella cheese (sliced thin).

Method: Have butcher prepare cutlets by pounding them very thin and cutting in serving-size pieces. Mix the bread crumbs with the grated Parmesan cheese, salt, and pepper. Beat the eggs in a bowl just until the whites and yolks are mixed. Dip a cutlet in egg, so both sides are covered, then turn over in crumb mixture so each side is coated; put aside on waxed paper. Put about 1/2 of the oil in a large skillet and allow to stand over moderate heat until very hot but not smoking; place as many pieces of veal as the skillet will hold without crowding in the hot fat and brown carefully, cooking about 5 minutes on each side. Cook the remaining cutlets in the same way. Place cutlets on large cookie sheet as they are done. Spread each with a tablespoon or two of the tomato sauce and lay strips of the Mozzarella cheese across each. Place in moderate (325 F.) oven until sauce and cheese are hot—about 10 minutes. Serve immediately. Makes 6 to 8 servings.
