Freight Cars **Ordered by SP**

Lebanon, Nov. 18 (P)-Rep. Harris Ellsworth said he was advised that the Southern Pacific railroad Thursday author-ized purchase of new freight cars to relieve the shortage plaguing Willamette valley shippers.

Ellsworth said W. W. Hale Southern Pacific vice-president, telephoned him from Chicago where he is attending a board of directors meeting, to say that the board had authorized purchase of 1000 50-foot automobile type box cars, 2000 40-foot box cars, and 165 drop-end gondolas which are suitable for lumber shipment. He said Hale told him this

Corners fire department. The department was called out again at 5:20 Friday morning when the debris blazed and spent an hour at the scene.

The fire was discovered by Hasselman when he walked into the kitchen with the alarm given by a neighbor who noticed the flames through the heavy fog at about the same time. The blaze is believed to have been started by a short circuit.

Hasselman, who is 89 and his wife, age 86, were assisted from the house by Mr. and Mrs. Harry Hanson, neighbors.
