Promises Good Regime

Promises Good Regime
"My record of alleviating the crippling water shortage for the a guarantee that all of the peowest side, of promoting the successful campaign for consolidation of our schools, the location of new industry for Salem the location of their affairs. No one of new industry for Salem the location of their affairs.

ger of our cities, while efficiently administering the affairs of the city of West Salem, offers convincing proof that my candi-dacy assures continued better government for Salem.

"It is well recognized that my administration in West Salem was dedicated right from its inception towards building a 'Greater Salem,' and my succession to the mayoralty of Salem will provide further assurance that the same energy and aggressiveness which have been successful in uniting our community in purpose and in government will be of real benefit to all of the people in the many problems which the city must problems which the city must meet if Salem is to achieve its destiny of being Oregon's 'Queen

"My candidacy offers the voters two tremendously important considerations:

"First, that in the face of the iffest kind of opposition and personal criticism, my adminis-tration in West Salem accomplished its objectives in full and provided me with the necessary experience to qualify as a candidate for mayor of Salem.

"In addition to that experience an outstanding mayor calls for an experienced candidate of proven ability and accomplishment to succeed him if the city is to maintain the advantages of the Elfstrom leadership and to further strengthen our manager form of government.

"In addition to that experience, my appointment as alderman for the new Ward 8 will give me another full year of experience before Elfstrom steps down from the mayor's chair, and incidentally gives the people the further opportunity of viewing my record at each of the ensuing council meetings. the ensuing council meetings.

tion of our schools, the location of new industry for Salem, the successful organization and promotion of the Greater Oregon Bridge association, plus the mersuical scales commented:

"Apparently Lewis is out to get the operators. The three-day week means we either go broke or raise prices—and we are determined not to raise prices."

erning of their affairs. No one has any strings attached to me, successful organization and promotion in the same out of the city. I have built my candidacy upon a philosophy that the public shall have paramount interest and t
