Study Grants From State AAUW Groups Announced

The 1949 international study grants, given by the American Association of University Women, including one from the Salem branch, have been announced from the state division. These study grants provide for women from other countries to come to America for undergraduate and advanced university work.

Mrs. Kasya will do advanced work in higher education methods, her field being in languages. The grant was set up last year by the Salem branch and is named in honor of Miss Beryl Holt, Salem teacher, and for many years an active AAUW leader. Miss Holt is regional fellowship chairman for the AAUW.

Other grants, made possible by contributions from the Oregon division and through various branches of AAUW in the state, include the following:

Benefit Tea Colorful Event

A most successful benefit affair was the silver tea given Sunday afternoon by the Salem Federated Music clubs at the home of Mayor and Mrs. Robert L. Elstrom—a capacity crowd attending throughout the three hours.

The tea was outstanding especially for the varied program. A program was going continuously throughout the tea, between 3 and 6 o'clock, a large number of young and adult musicians of the city participating in vocal, instrumental and chorus numbers. Mrs. Jessie Bush Mickelson arranged the program details.

The home was beautifully decorated in the Christmas theme for the tea, featuring arrangements of greens, red candles, and a creche scene. The dining room was lighted only with candlelight. The tea table was covered with a green cloth. A low arrangement of colorful Christmas balls and ornaments with greens and tinsel made up the centerpiece flanked at either side by red candles. A small Christmas tree on the buffet table also featured the decorations. And attracting much comment in the dining room were the huge trays of Christmas cookies, featuring many varieties and many of them baked by the teachers sponsoring the tea.

Receiving the guests were Mayor and Mrs. Elstrom, Mrs. Ronald Craven, president of the Salem Federated Music clubs; Mrs. Mae Ross Walker of Portland, state president of the Oregon Federated Music clubs; Mrs.
