corps in September of this year.

Tighten Requirements
Naval Reserve officers selected for
promotion after January 1, 1950,
must complete required correspondence courses covering basic and
specialized subjects, either before
selection or in a reasonable period
following notification of selection.

Thirteenth Naval District Headquarters announced this week.

In recent postwar years, Naval
Reserve officers have been promotied solely on their records and qualifications. Under the new system,
promotion units will be earned by
taking the correspondence courses.
Basic courses, to be required of all
officers will include such subjects
as Navy Regulations, Naval orientation and Naval command and administration. Approximately 100
specialities courses will cover different officer classifications and specialities. C. V. Crispin vs Delmer E. and Martha E. Wood, demurrer to complaint, N. J. Campf vs Deimer E. and Martha E. Wood, demurrer to complaint.

south of Salem were tossed into Friday as they came up after being continued to see if Peck avenue still had a chance for survival after determining tensaid in the 1943 flood 18 inches of water boiled around her tatively at a recent session that Morningside street would not be approved for improvement. The two streets south of the home, top soil from gardens and flower beds was carried away, a sidewalk and part of a drive were washed out, as were coun-

ty road shoulders, and similar damage was inflicted in subsequent floods.

A T Mark Were council two streets south of the city connect and form an "L" The petitions for their improvement came in separately but they ment came in separately but they were considered as an improve-ment to be both done at once in event they met approval.

A. L. Mason, chairman of the diking committee and a leading proponent of the plan, followed up with a showing of 18 inches of water standing in his house for three days, driving his family out, He told of 100 chickens being drowned how they went Then came a remonstrance from Morningsice street signed by a number of petitioners who had asked for the paving in the first place. They said the esti-mated costs were too high. Friday Paul Harvey, Jr., one of the strongest movers for Peck being drowned, how they went

back in a boat to feed a neigh-bor's cattle. He said the current of the strongest movers for Peck avenue appeared and said he'd still like to see the work done on that street, but would like to have the court decide at this time as to whether or not it would be improved. He said he preferred this to any further continuates. at his place was so strong an attempt by a horse to swim it was ineffectual. He said 26 inches of water was rushing through a neighbor's house and some of the road pavement was washed out. He cited three times since then when water was over his continuances.

Cormick added that the second major project for the 1949-50 til or ns indefinitely postponed. County Judge Grant Murphy said that Peck avenue, standing alone without Morning side street, would furnish a small strip of pavement in a "no-man's land leading to nowhere." In addition, he said if it was improved it would involve assessments two pieces of property which also lie along Morningside street and work an injustice on those property owners.

Cormick added that the second major project for the 1949-50 til 1949-50 to the 1949-50 til 1950-50 of the major project for the 1949-50 til 1950-50 on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restendent on Boxwood lane with Patty McMallan assisting with the restende A national labor relations board hearing on whether a labor election should be held at the Valley Concrete company will be held in Salem December 20.

The company asked for the meaning that two pieces of property which also lie along Morning-side street and work an injustice on those property owners. Harvey indicated conditions might change by spring so a remainder that the property could be added to the company asked for the reward of the two projects could be added to property asked to the company asked for the company a A national labor relations will be held in Salem December 20.

The company asked for the election to determine whether its employes want to be represented by the AFL Teamsters. The hearing will be held in the city council chambers.

It will be separate from a January 24 hearing, to be held on the company's charge that the
