Salem high school's undefeated basketball quint headed for Portland to tangle with the potent Jefferson high Democrats Tuesday afternoon at 3:30.

Salem's victory string was extended to five consecutive wins when they topped the high-powered Eugene Axemen last Friday night at the Vik village.

Jefferson's coach will floor one of his better quints during his coaching career at the Jefferson school. His Demo quint staged a scoring parade in their recent tilt with Battle Ground when they racked up 54 points to come out with the heavy end of the score.

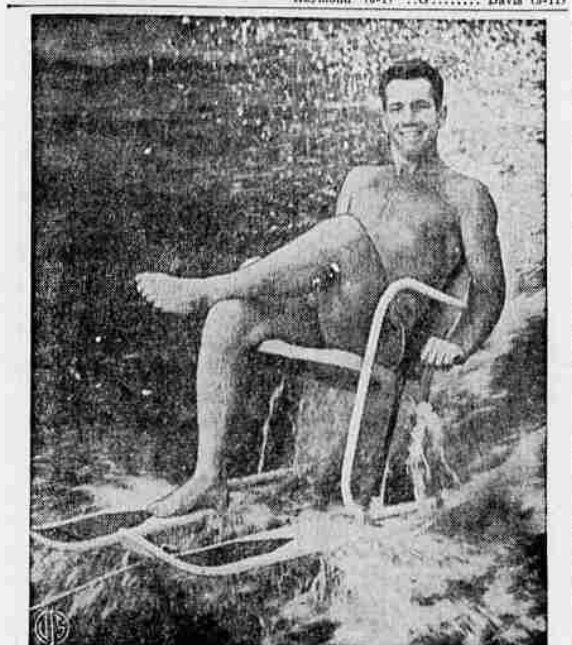

Ron Fundingsland was the

high scoring donkey ace as he dumped in 20 points. Other scorers on the Democrat squad are: Max Anderson 6 4 center; Quenton Raymond, Earl Enos and Don Scott.

Coach Harold Hauk will use his "lucky lineup" again which has brought improvement to the squad during the recent games. The Viks hold victories over Tigard, LaGrande, Klamath Falls, Tillamook and Eugene in that order. The Haukmen will be all out to remain undefeated.

Probable lineups for Tuesday's game:

Enos (6-9) ... F ... Wallace (9-5) ... G ... Anderson (6-11) ... C ... Furdingsland (6-10) ... G ... Raymond (6-11) ... G ...

## Buckeye Squad Starts to Train For Rose Game

Pasadena, Dec. 19 (AP)—The Buckeyes of Ohio State buckle down to business today right next door to the Rose Bowl.

Coach Wes Fesler and 37 of his Big Ten grid champions flew in yesterday and the head man said he will run two workouts a day at Brookside park, just a pass and a punt away from the arena where the Bucks meet California Jan. 2.

"I know we're up against one of the best teams the west has produced in several years," said Fesler, "but we're going in to win."

## Claim 600,000 Ducks Killed in State This Year

Portland, Dec. 19 (AP)—The number of ducks killed in Oregon this year was around 600,000, an official of Ducks Unlimited estimated yesterday.

## Jerry the First, Ed Cobb Honored

Washington Court House, Dec. 19 (AP)—More than 500 persons from seven states gathered last week to honor a man and a horse.

The man: Eddie Cobb of Washington Court House, the bashful third-generation member of a family of harness horse owners, trainers and racers.

The horse: Jerry the First, product of some rare equine arithmetic in which \$60, multiplied by \$250, equals \$75,000.

The scene: Fayette County—where says Publisher W. J. Galvin, "you can walk 50 feet in any direction and meet someone who can talk horses."

Together, 29-year-old Eddie and five-year-old Jerry recently won two world championship ships. With Jerry pulling Eddie in the two-wheeled "bike" cart, they set those world pacing records at Hollywood Park in California:

The mile and one sixteenth in 2 minutes 5 three-fifths seconds, and the mile and a half in 3 minutes 6 three-fifths seconds.

Then they went on to capture the \$50,000 Golden West Pace on the same track, Nov. 12. Their time of 2 minutes 31 seconds for the mile and a quarter was a track record.

## SPORTS ROUNDUP

New York, Dec. 19 (AP)—The slowdown on that athletic department at Baylor U., as we get it by a roundabout route, was the popoff came as a result of pressure for the Bears to play College of the Pacific in a bowl game ... Seems Coach Bob Woodruff and six of his players had signed up for the Miami North-South contest and were keenly disinterested in the kind of prestige they might gain by beating COP ... Branch Ricker will be the featured speaker at the American Association of College Baseball Coaches banquet Jan. 11 ... Wonder if he'll tell them how to develop spitball pitchers? ... If the pro football war hadn't ended, most national league clubs likely would have followed Art Rooney's salary-lobbing plan next season. Art actually made money with the Steelers this year, something he couldn't always do in the good old days.

## Browns Hire Mental Doc To Aid Squad for 1950

St. Louis, Dec. 19 (AP)—The owners of the St. Louis Browns, willing to try anything to improve the club's position, have come up with a psychologist.

He is Dr. David F. Tracy of New York—author, lecturer and specialist in psychological problems.

Dr. Tracy convinced President Bill DeWitt that he can do things toward building the players' confidence and boosting their morale. He has been hired for four weeks of the 1950 spring baseball training season.

The psychologist will have a free hand at the Burbank, Calif., training base in his efforts to instill a spirit of confidence in the players. He also will concentrate on teaching them how to relax and overcome tension.

"After I teach the players emotional stability," Dr. Tracy told DeWitt, "they will automatically climb higher in the league race. With my treatments, the club should finish fifth and may even climb to fourth."

The club finished seventh in the American league last season and had a narrow escape from the cellar. Incidentally, the Browns drew fewer spectators through the turnstiles than any other team in the major leagues.

The hiring of Dr. Tracy goes back to last summer. Tracy, a former athlete himself, was at the Yankee stadium one Sunday when the Browns dropped a doubleheader to the Yankees. Later he called on DeWitt and his brother, Charley, the club's vice president, and explained how he

## Duck and Goose Second Season Has Top Prospect

Portland, Ore., Dec. 19 (AP)—Oregon's second duck and goose hunting season opened at noon today with excellent prospects.

Reports from the south-central Oregon lake country indicated that large flights of northern birds have reached the state.

At Bend, it was reported that ducks were plentiful on the upper Deschutes river.

Low ceilings and damp weather in the southern part of the state made hunting conditions favorable.

The season will extend to Jan. 7, 1950.
