## Better Health In The New Year!

By J. H. WILLETT of the Capital Drug Store

There will be an opportunity for better health in the New Year for everyone. For each medical science learns something more about diseases, nutrition, drugs; surgeons find better and simpler ways of performing operations.

These all add up to better health for people who take ad-

vantage of the services of medical scientists, by regular medical attention through their physician. A conscientious pharmacist is prepared to help you to good

health by making available all

the newest and best in pure,

potent, quality drugs. This is the 237 of a series of Editorial dvertisement appearing in this paper each Copyright
