# Gophers Nose Stanford; Cal Topples Texas A & M

San Francisco, Dec. 30 (AP)—Guard Dick Means came through in the second half to pace the Minnesota Gophers to a 67-65 overtime win over the Stanford Indians last night in the opening game of a basketball double header at the Cow palace.

The nightcap was won by California, 59-47, over Texas A & M. Six thousand fans turned out for the two games.

Stanford appeared in control at the opening with a 26-12 lead after eight minutes of play and a 37-29 halftime lead.

But Means got the range midway in the second half. He tossed in five 30-foot field goals in less than three minutes to push the Gophers ahead, 47-46.

Skoog, a forward, was high point man for Minnesota with 18. Forward George Yardley led the Golden Bears with 16. Golden Bears' guard, Dick Means, led the Indians scoring with 16.

Forward George Walker led California to its win, chalking up 22 points. California took an early 10-3 lead on the Texans. Then the Aggies got the range and passed the Bears 17-16. But Walker's dead-eye shooting gave California a 25-22 halftime margin.

# Parent Penalty Policy Adopted

Albany, Dec. 30—From now on Albany parents will be held responsible for the misbehavior of their children whenever police action is required.

The city council passed an ordinance patterned after those in operation at Baker and Eugene, both having passed similar ordinances to help curb juvenile delinquency.

The new Albany ordinance provides penalties of from \$1 to \$2.50 and/or from one to 50 days in the city jail upon parents whose children are adjudged delinquent or "dependent," which City Attorney Edward Sox explained to the council, means abandoned to roam or consort with undesirable.

The council passed the ordinance unanimously after Chief of Police Ray Maddy cited several instances in which police had been abused by parents whose children had been apprehended stealing or otherwise breaking city laws.

"We must keep children off the streets at late hours or we are going to have a tragedy on our hands," Chief Maddy said.

Passage of the new ordinance does not repeal the curfew law.

# LaMotta Sidesteps New York Ring Deadlines

New York, Dec. 30 (AP)—Jake La Motta isn't keen about meeting the Feb. 1 deadline set up yesterday by the New York boxing commission for him to sign for a March defense. The "Bronx bull" says he won't be ready until June.

Chairman Eddie Eagan of the New York commission won't wait until June. If Jake doesn't sign up by Feb. 1, he'll declare the title vacated and set up a tournament among the four leading challengers. He didn't name the contenders.

That leaves the door open for Jake to be stripped of his New York title but still retain it in the National Boxing Association states which do not always cooperate with the New York commission.

Abe Greene of Paterson, N.J., commissioner of the NBA, is holding his fire. He won't make any announcement of the NBA's stand until all members have had a chance to read a letter stating La Motta's intentions.

The letter, also read to the

# East Favored for Annual Frisco Shrine Football

San Francisco, Dec. 30 (AP)—The East is favored in the annual All-Star Shrine football charity game tomorrow. But that's the usual pattern and the West apparently is not afraid.

The game has been sold out for a long time. More than 60,000 fans are expected to jam Kezar stadium.

But listen to Lindy Berry of Texas Christian, who will probably start in the tailback spot for the West:

"Don't forget some of our fellows play in just as tough a league as the Big 10 and anything they have in the east. I mean the Southwest conference. Brother, the competition is really rugged down there."

Berry is a co-captain of the West team along with Nebraska Center Tom Novak. And they chimed in together:

"We realize the East is favored to win and has the All-Americans, but we feel we have the players. We are not going out on the field merely to make it a good game. We are going out to win."

Now as for the East, it was difficult to find out what the players from the other side of the Mississippi have in mind.

But it was known that Leon Hart, Notre Dame's All-American end, was running plays from the fullback position and will likely see action in that spot as well as in a wing position.

It is also believed that the East would elect Hart one co-captain today and that Arnold Galiffa, army T-formation quar-

# Thieves Played Well in Coastal Football Games

Los Angeles, Dec. 30 (AP)—The northern division had a lot of good thieves playing football last fall, the coast conference commissioner's office said yesterday.

For example: Bill Shefford, Oregon State sophomore, topped the coast loop in pass interceptions with nine. It tied the record set by Bobby Robertson of USC in 1941 and Jake Leicht of Oregon in 1945.

Woodley Lewis, Oregon, trailed Shefford by one and had 127 yards of runback compared with the former's 138.

Another Oregon Stater, Dick Gray, had the best average runback with 27.5 yards a return off four interceptions.

# As to Dating Of Notre Dame Huskies in Doubt

Seattle, Dec. 30 (AP)—"To be or not to be" . . . that was the question facing University of Washington football moguls today regarding the scheduling of Notre Dame again.

Notre Dame is reported anxious to resume relations with the northwest school, and one train of thought here approves of the scheduling, arguing it will keep the Huskies in "big time" football circles.

All too well remembered is the furore which followed the 1949 game. Coach Frank Leahy's charges of unfair officiating and a counter-charges of dirty play.

Among the arguments used in support of the Husky-Irish tilt is the larger stadium seating 55,000 fans would be filled to capacity, thus assuring a tidy sum for the Washington coffers.

University of Washington Director of Athletics Harvey Cassill, now enroute to the Rose Bowl and then to the east, must arrange for the Huskies' intersectional tilt shortly.

While Coach Howie Odell has not committed himself one way or the other on the resumption of the Notre Dame series, it has been said that the bone-crushing schedule of Notre Dame and Minnesota last season ruined the Washington hopes for a successful Pacific Coast conference campaign.

In 1950, the Huskies have Illinois and Minnesota to worry about, let alone the Ramblers from South Bend.

# City Contests Deferred 1 Day

Postponement of the American division schedule of games, City basketball league from Monday until Tuesday night is announced by Vern Gilmore, director of recreation. The postponement was made because there will be no heat in the Leslie gymnasium, January 2.

The three games will consist of Capitol post vs. Page Woolens, Warner Motor vs. West Salem Merchants, and 12th Street vs. Epping Lumber.

# NEEDY ROD AND GUN CLUB SLEEZY NEW YEAR SHOOT

The Needy Rod and Gun club will hold a shoot on the club's grounds, three miles north of Monitor on the Monitor-Barlow road January 1. Firing will begin at 10 a.m. and continue into the night.

# Quarantine Adopted By Three More States

Three more states, Alabama, Florida and Georgia, have adopted quarantines which will prohibit the shipment of Oregon-grown balled and potted camellia plants or cut flowers into those states.

The Oregon department of agriculture has been advised, however, that camellia plants entirely free from soil will be accepted in any of the three states provided the department certifies no color showed on the buds when the plants were shipped.

The quarantines are all directed at the camellia flower blight. Earlier this month Mississippi officials advised the Oregon department that all of Oregon is restricted territory in the Mississippi flower blight quarantine.

# Negro Pianist Wins First Round of Fight

Spokane, Dec. 30 (AP)—Hazel Scott, the Negro pianist, has won the first round in her \$50,000 racial discrimination suit against a Pasco, Wash., restaurant owner.

Federal Judge Sam Driver yesterday denied a defense motion to dismiss the suit brought against Mr. and Mrs. Harry Utz.

The judge ruled that restaurants are included in a 1909 state civil rights law that makes it a misdemeanor to show discrimination in "any place of public accommodation."
