Girl Scouts at Silverton Report on Varied Activities

Silverton—Mrs. Gordon VanCleave, Girl Scout area executive, is announcing the regular monthly meeting, discussions and reports, of the Silverton Girl Scout association in an evening session this week at the home of Mrs. R. A. Montgomery.

Miss Dorothy Wilson, district executive, was a special guest as installing officer, with the new officers inducted. Mrs. Larry Ernst had been elected as district chairman; Mrs. Stanley Mathis as secretary; Mrs. Ed Lambert as district treasurer, with the district vice chairman, Mrs. Alan Brown, on a holiday visit in California, to be installed in the near future.

A resume of the association's accomplishments for the year 1949 revealed that 11 troops had been fully organized and staffed. Two new troops of girls had been added from pupils of the St. Paul's Catholic parish. Opportunity had been granted for any girl who desired to have been privileged to go to either day camp or Smith Creek camp. The day camps were held in the city park. Camperships were given to all girls needing them. Leaders of troops had been given training courses.

Announcement was made that money from the sale of 250 calendars by various troops had been appropriated to the budget fund for paying national dues and for other needed expenses during the year. It also was announced that Mrs. Maurice Schnorenberg would be cookie sale chairman for the girls, the sale to start February 23. Brought to the attention of the association membership was the fact that rural areas had been neglected in forming Girl Scout troops with the result that parents in rural districts interested will be guests at the James avenue home of Mrs. Ed Lambert at the February 14 association meeting, the next regular session. Representative parents from Central Howell, Hazel Green, Brush Creek and Evergreen are known to be willing to aid in this additional Girl Scout organization project.

Girl Scout troop leaders, briefing work done during the year, reported 7th and 8th grade girls, directed by Mrs. Larry Ernst, worked on homemaking badges and that bath salts made for Christmas were wrapped for gifts.

More than 20 members of the 4th grade Brownie troop, Mrs. Stanley Mathis as leader, planned and directed their own Christmas party making candies from leftovers of different colors for the table centerpiece. This troop has been selected for sponsorship by Delbert Reeves unit No. 7, American Legion auxiliary, with Mrs. Geo Moen named as unit adviser by the unit president, Mrs. C. E. Higinbotham. A flag will be presented to the girls at their next regular meeting.

Mrs. Ed Lambert and Mrs. Maurice Schnorenberg, leaders of the two Catholic troops, told of meeting for a Girl Scout cookie-making party during the Christmas holidays.

Mrs. Gordon Hagedorn, leader, reported that her Lions auxiliary-sponsored troop was given a Juliet E. Low history book, the finances from a homemade candy sale, candy canes and other financial help from their sponsor group at Christmas time in appreciation of the troop's singing of carols at the auxiliary program.

Mrs. Howard Loe, fifth grade Girl Scout leader, reported the auxiliary of Veterans of Foreign Wars post, No. 3004, had given her girls a nut and fruit treat, and a pair of scissors for each girl for scrapbook and other scout project work. The auxiliary has provided an American flag for the troop.

Silverton Girl Scouts have eleven troops with an average active membership of from 15 to 20 girls each. However, the exact number of members during the year 1949 was not definitely available.

Roll Out the Pork Barrel

Crown Roast—Special pork treat for company.

Go gala with pork now that there's such an excellent supply of it on the market. A festive crown roast of pork is wonderful to serve when company's coming. To make life easy have the crown of ribs prepared at your market, allowing 1 to 2 chops per person; 10 to 12 chops will make a medium-sized crown. When you get the roast home, turn the rib ends up and fill the center with your favorite bread stuffing. Lift the roast to the rack in an open roasting pan, holding your hands underneath the crown. Roast uncovered in a moderate (350° F.) oven 35 to 40 minutes per pound. To serve, place paper frills over the ends of the ribs, or use large stuffed olives or small cooked white onions for garnishing. Add apple rings around the platter and you'll have as succulent a dish as anyone could eat.

For a family dinner try the following recipe with pork chops, potatoes and other vegetables blending with a delicious tomato gravy. Pork is so rich in B vitamins and offers such high quality protein, as well as essential minerals, that it's a fine meat to serve to a family. Take advantage of goodly pork supplies.

Pork Chop Skillet Dinner

Method: Brown pork chops in skillet; remove from pan. Starting with potatoes put vegetables in layers in a deep 2-quart skillet. (Reserve about 1/2 of the green pepper, celery and onion.)
