48 Tons of Gold Flown

Under Special Guard to U. S.

New York, Jan. 16 @P.—Forty-eight tons of gold valued at \$40,320,000 have been flown to the United States by the government of Siam, airlines sources said today.

Seven flights by Trans-Ocean Airlines have been made from Japan with the gold. So great was secrecy surrounding the shipment that it did not becomes known until one of the DC-4's made emergency repairs at Elmendorf field at Anchorage. Alaska.

Reports from Anchorage were that the gold belonged to Nationalist China and was being flown here to prevent it falling into the hands of the communists.

But reliable sources here said flaily, that the shipment be was left in the vaults in Japan," he said. But reliable sources here said he said. that the shipment, be-

flatly that the snipment, be-lieved to be the largest shipment of gold ever made by air, is the property of the government of Siam. It was insured for \$45,-the communist threat to the far east, the source said.

The shipments began early Oakland Saturday. There it was this week from various places in transferred to planes of Slick this week from various places it.
Japan it was revealed.
The informant here tells this story of the gold's ownership and its subsequent removal to New pounds of gold valued at \$5,670,-000. The gold bars were in in-

"The gold was taken from the bank of Siam in Bangkok by said.
