

Stocks Decline Irregularly

New York, Jan. 16 (AP)—A quiet steadiness prevailed in the stock market today in marked contrast to the roaring declines of the past three sessions.

The volume of business amounted to only a rate of 1,400,000 shares for the entire day as compared with 3,330,000 shares Friday.

Early weakness throughout the list was checked by a rally in aircraft and motor issues.

Douglas Aircraft advanced more than two points at one time to a new high for 1949-50.

The remainder of the market generally followed with losses pared and scattered gains shown.

Brokers felt the three-day decline from the seven-month bull market high had been halted for the moment with stocks exhibiting a tendency to hold at their present levels.

Stocks going higher included General Motors, Goodyear, Lockheed, Emerson Radio, Pepsi-Cola, Du Pont, Dome Mines, Southern Pacific, Standard Oil (N.J.), Johns-Manville, Goodrich, Woolworth, Montgomery Ward, International Harvester and Zenith Radio.

Grains Sink As Demand Falls

Chicago, Jan. 16 (AP)—Lack of demand more than any selling pressure caused grains to sink on the board of trade today. Major cereals suffered losses running to around a cent in quiet dealings.

Wheat closed 1/4-1/2 lower, March \$2.14 1/4, corn was 1/8-1/4 lower, March \$1.28 1/2, oats were 1/4-1/2 lower, March 72 1/2, rye was 1/4-1/2 lower, March \$1.40 1/4, soybeans were unchanged to 1 cent lower, March \$2.32 1/4-1/2, and lard was 22 cents lower to 3 cents a hundred pounds higher, January \$10.40.

Gable Brings Bride Home From Honeymoon in Hawaii

San Francisco, Jan. 16 (AP)—Movie star Clark Gable brought his twice-titled ex-manniquin bride home from a honeymoon in Hawaii Saturday and headed for "a quiet life" on his San Fernando valley ranch.

The bride, the former Lady Sylvia Stanley Ashley, declared their two-week stay in the islands was "simply wonderful."

'It's Hard to Tell People Dying There's No Hope for Them'

Chicago, Jan. 16 (AP)—The pile of letters on Dr. Roger A. Harvey's desk grew higher today, and he said they were "enough to break a man's heart."

The letters, from all over the country, were from the families of cancer patients. Each one implored the University of Illinois to treat a mother, a father or some other loved one with its 26,000,000-volt betatron.

"I'm not completely sold on the betatron treatment," he said, "and I'm not even optimistic about it as a so-called cancer cure."

He said it would take two more years to learn whether the powerful rays which destroy cancer tissue may break down the healthy tissue surrounding it.

"We are doing all we can as fast as we can," Harvey said, "and it's very hard to turn down these pleas."

"It's hard to tell people who are dying that there's no hope for them."

They read like this: "Mother is dying of cancer. The doctors have given up hope for our son. There isn't much time. They even call me at my home," Harvey said. "They beg and plead, and some even cry."

Wild Life Abundant In Lincoln District

Lincoln—The Chinese pheasant can be counted by the dozen as the cold weather drives them in closer to habitations where they can feed in security in home corn fields.

Lincoln is in the game reserve and residents have enjoyed watching the feathered beauties as they zoom from field to trees close to the river, where they roost at night.

The wild ducks are plentiful this year and can be heard quacking contentedly on their feeding grounds along the river.

Acheson Gives Smooth Talk on Asia at National Press Club

Washington, Jan. 16 (AP)—Secretary of State Acheson talked last week at a luncheon in the National Press Club. This was a "smooth" performance as has ever been witnessed at the National Press club," the Washington Post said a few hours later.

It was also very somber in its implications although this may have been lost sight of in the attention which was given to one part of his talk.

This was when he said the Russians are grabbing off parts of China and that one day the Chinese people, getting wise to what has happened will be furious at Russia.

And he repeated what President Truman had said earlier this month: That this government isn't going to bail out Chiang Kai-Shek's ruined regime in Formosa where he's taken his last standing against the communists who've overrun the rest of China.

Mrs. Hibbs Honor Guest on Birthday

Unionvale—Mrs. John Hibbs was 86 years old Friday. Complimenting her a birthday family dinner was served at the home of her sister, Mrs. Carl Launer, 81, at noon Friday. Their sister, Mrs. Ed Howe, 80, of Albany and her son and daughter-in-law, Mr. and Mrs. Lloyd Howe and their son, Jimmy four years old of Kodiak, Alaska were also guests. Mrs. Lloyd Howe prepared the birthday cake.

In the evening at her own home Mrs. Hibbs was honored by her son Royal Hibbs and his son, Ray Hibbs when Mr. and Mrs. John Becker of McMinnville were present for a birthday supper.

Mrs. Hibbs received a shower of gifts, cards and letters. Mrs. Hibbs was born January 13, 1864 at Morrison, Ill., and came with her parents, Mr. and Mrs. David Robertson to Oregon in 1874 and settled on the place that is still her home.

Claims Divorced Wife Kidnapped Child—J. R. Puckett, (left) of Roswell, N. M., confers with Benigno Pidoan, Philippine consul in San Francisco after flying to the coast to try to intercept his divorced wife, Mrs. Yolanda Lopez Puckett and Ted Lewin, Philippine Island sports promoter. Puckett, according to Sheriff George Wilcox at Roswell, has charged his former wife kidnaped their four-year-old son from Roswell. The Pucketts were divorced in Reno last December. (AP Wirephoto)

Wymore Named Plant Manager

Lebanon—The naming of Herbert Wymore to succeed George H. Galloway as resident manager of the Lebanon pulp and paper mill is among several changes in management of Crown Zellerbach corporations told by President J. D. Zellerbach, who is in the Pacific northwest on a visit to all corporation plants before returning to Italy to resume duties as Marshall plan administrator.

Wymore, who has been here several months on special assignment, took over his new post on January 10.

Galloway was promoted to the management of the Carthage, N. Y. mill. He left Tuesday for the east, where he will stay for ten days to make moving arrangements.

Wymore graduated from Oregon State college in 1938 with a degree in chemical engineering. He has been formerly associated with the company's mills at Camas, West Linn, Port Townsend and Ocean Falls. The Wymores have two sons.

Among other changes of special interest locally was Zellerbach's announcement that Malcolm Otis, Lebanon mill manager from 1942 to 1947, has been promoted from manager of Crown's Port Angeles newspaper mill to the same post at West Linn.
