Campus Clippings

OREGON STATE COLLEGE

Snow flurries have built the campus into a beautiful but slippery picture as the white blanket covers the ground. Students slip, slide and dodge their ways to the classrooms. Classes have never been cancelled, even though many were held in darkness Friday afternoon when the electricity failed.

The weather had no bad effect on the Beavers last Friday night as they defeated the Oregon Webfoots 65-49. This week-end they will travel to Pullman to play Washington State.

Registration dropped 7 percent under the amount in school last winter term. The 6413 total still has men in the lead with 4901 and women lagging with 1512. The men ratio slipped slightly, with men outnumbering women 3.2 to one.

The fall term honor roll proved to the campus that the freshman class will be a hard one to beat when it comes to grades. The total list showed 469 names of students with grades of 3.5 or above. Of the 52 earning 4 points, science freshman Roger Smith was the only Salemite on the list. Others making the honor list were William McNeil and Royal Tarter, agriculture; business and technology, Jack Jones and Marjorie MacGregor; education, Emery Hildebrandt, Barbara Keys, and Dan McCall; engineering, Kenneth Andresen and Gordr Beecroft; home economics, Peggy Burroughs, Mary Massee Struck, Lorraine Welling and Barbara Zumwalt; science, Robert Beecroft, William A. Erwin, Dorothy Perry and Dick Whitely.

Coming features of the term include the Mortar Board Reversia Ball, January 28 and Dads' Day, February 4.

BROOKS—Because of bad weather the Brooks Sewing club has been postponed. The next meeting will be February 2 at the home of Mrs. James Sayre in Salem.
