### **CIO Attacks** Steel Companies

Washington, Jan. , (P) — A CIO steelworkers spokesman today said that steel companies have used "misrepresentations" to justify last month's \$4 a ton

general price increase.

The companies have contended they had to increase prices because of increased costs and that, if anything, the steel prices should be higher than they are

Otis Brubaker, research direc-tor for the union claims that 1,-000,000 members, today called these increases "unwarranted" and "indefensible." He told the senate-house eco-

nomic committee, which is stu-dying the price increase, that the steel industry has a "public be damned" attitude. He said be damned" attitude. He said the price rise was "far in excess of any demonstrable cost in-

As for the "misrepresenta-tions," Brubaker said that Jones & Laughlin, the fourth largest steel company in the country,

According to Brubaker, that was the amount J. & L. paid in dividends to its shareholders. He dividends to its shareholders. He should have used was 8.9 per-cent, which he said was the profit that J. & L. got on its invest-

## Chinese Reds Take Over

U. S. Tsingtao Installations (Editor's Note: Associated Press correspondent Wayne Richardson, formerly of Phoenix, Ariz., and Hong Kong, was aboard the American freighter Flying Arrow when the vessel docked at Tsingtao, North China Red port, in Mid-January. The following is his observation of conditions and life in the port after a four-day visit ashore.)

By WAYNE RICHARDSON Aboard the Flying Arrow en route to Kobe, Japan, Jan. 26 (P). The U. S. navy's huge installations at Tsingtao, North China port, have been taken over by the Chinese communists.

The installations and properties, valued at millions of dollars, include five large buildings purchased from the Nationalist

Chinese government. The comnunists do not recognize the residence and the consul general's residence.

The properties include the U.S. navy headquarters and port facilities building, the American consulate general's headcan consulate general's head-quarters, the downtown naval officers' club, the navy barracks and commissary, the admiral's Also taken over by the Reds

#### Reds Will Release Two Airmen If U.S. Makes 'Proper' Request

By WAYNE RICHARDSON

Kobe, Japan, Jan. 27 (4)-U. S. Consul General Carl O. Hawthorne today voiced hope for the repease of two marine airmen Nationalist government service held by the Chinese communists and predicted millions will were ordered back to the farms starve in red North China.

fective relations" with Red China, Hawthorne told newsmen, "I think we will get Bender and

Hawthorne painted a black

picture of Tsingtao and Shantung province under communist rule. Food has become a press-Smith out."

Earlier, the Flying Arrow's ing problem for the big Chinese population, he said, predicting:

Skipper told me in an exclusive population, he said, predicting:

"Millions are going to die of tal, also was bogged down.

The important Poshan coal

vest in August."

He said he believes the people are dissatisfied with Red rule but can do nothing about it because of tight controls.

The once teeming port of Tsingtao, former base for the U.S. western Pacific down to about 1,000 tons of shipping dally Market Some of the province's economic ills are attributed to bad shipping dally Market Some of the province's economic ills are attributed to bad shipping daily, Hawthorne said crops brought on by droughts in The Reds have done nothing some places and floods in others and to a lesser extent by con-scription of young men who normally till the soil. The conwith the fine harbor. Heavy taxation, he continued.

is killing off private industry and other restrictions are making scription of the young men left only old men and women to and other restrictions are making only old men and business impossible. Strict mar-work the farmlands. tial law still is in force.

Hawthorne said the Tsingtao

onsulate was guarded continuously by Red soldiers armed with rifles, bayonets and hand grenades. He was threatened with arrest several times,
Of his call on Communist

Official Wong, Captain Jones

Wong, director of the Tsingtao board for military control of foreign affairs for civilians, con-tended the U.S. has not requested the fliers' release in a man ner considered official by the communists.

Wong maintained the only re-picture." quest Red officials have was "a In Washington, the state de-hurriedly written letter prior to partment said it had not authe navy's evacuation of Tsing- thorized any ransom offer. He said the letter did not include arrangements for deliv-

ery and acceptance of the fliers. Jones said he saw Wong in response to a state department he was authorized to spend up to \$25,000 if the Reds wanted ransom for the two airmen.

One of the arrogant Red offi- Consul General Carl O. Hawcials asked Captain Jones: thorne of San Francisco with a When did you make an Associparty.

Quickly someone came up to the newsman and whispered:
"Pretend you don't know them (Hawthorne's party) or every-one will get into trouble."

The communists clamped on no restrictions during daylight visits ashore but enforced a midnight curfew.

Make your tires safer on Slippery Roads!

### GOOD YEAR TIRE TRACTIONIZING

Here's what it is:

notes on his actions

s amazing new machine the "Tractionizer" perforates the entire surface of tire treads with thousands of tiny, sharp-edges that resist skids in every direction! Tractionizing is done right on your car and one treatment lasts the average driver an entire season . . . when it wears off you have your original tough tread rubber for hot weather driving.

#### Here's what it does:

- · Gives you extra traction for starts and stops on wet, icy, slippery roads!
  - Reduces slipping and skidding in every direction!
- Does away with the need to buy to put on and to take off "special" recaps. Extra traction's there when you need it!
- Gives any make tire non-skid safety it never had

Costs FOR ALL Only 4 TIRES!
