Predict Bonus, School Aid

Portland, Jan. 28 (AP)—Oregon can be expected to vote millions of dollars to its schools and veterans at the next general election.

So predicted three speakers at a tax clinic here yesterday. They expect voters to pass a \$30 per pupil increase in the basic school fund, and approve a veterans' bonus.

State Senator Austin F. Flegel, Jr., Portland, one of the speakers, said the bonus would cost about \$56,000,000. This was for a bonus that would give a veteran \$10 a month for domestic service and \$15 a month for overseas service.

The other two speakers were State Senator Howard C. Belton, Canby, and William M. Tugman, Eugene editor.

Other speakers criticized tax exemptions in the personal property and corporation excise taxes. State Representative Giles French, Moro, suggested repeal of the taxes and substitution of a net business tax.

Derailment Holds Up Both Shasta Daylights

Eugene, Ore., Jan. 28 (AP)—A freight car derailment inside a tunnel today blocked rail travel on the Southern Pacific line between California and Oregon.

A car left the tracks inside the tunnel No. 7 near Cascade summit in Willamette pass. Communications in the derailment area were disrupted by a heavy storm.

The Southern Pacific Shasta Daylight was halted at Oakridge and the northbound Shasta Daylight was stopped at Klamath Falls until the tracks could be cleared.

Among the earliest weights were seeds of grain—and a "grain" is still used in weighing gold and drugs.

Blood Donation Records Broken

Albany, Jan. 28 — The Red Cross blood program became richer by nearly 20 gallons when 158 Albany donors smashed the state record for blood taken from one town in one day. Lebanon donors had set the previous record of 150 pints December 16.

Chapter officials termed the initial visit of the Portland-based bloodmobile a success despite the fact that the schedule ran two hours late because the unit had motor trouble on its way down from Portland.

The center was scheduled to open at 2 p.m., but donors waited the arrival of the bloodmobile at 4 o'clock and when the last donor, the Rev. George H. Huber, pastor of the First Methodist church, got off the donor bed at 9 p.m., wearied volunteer and staff members began cleaning up after the most

successful day of operation since the inception of the blood program in Oregon nearly a year ago, it was announced by Mrs. Dan B. Roth, local bloodmobile chairman.

THE CHRIST OF PALESTINE

Out of the dark centuries of the past comes the prophetic voice of Jesus in warning to this generation. He foretold the dismal future of Palestine and of the Jews. He tells WHY the Jews are afflicted and exterminated. He tells us what OUR fate will be if we follow their example. Hear this amazing address by Pastor R. G. Schaffer.

NOT DEAD... BUT SLEEPING

We know a man who says, "When you're dead, you're dead." Wonder what he would think of this picture?

This is a picture of things that seem dead. Barren trees, shrubs laden with snow, and a million blades of grass buried beneath the winter's mantle.

But we know these things are not dead... just sleeping. Waiting for another Spring... waiting to blossom and flourish again.

And it is that knowledge that enables us to see beauty in a winter scene; how morbid our picture if we didn't know that Spring would come again.

The Christian belief in a life hereafter is vital to man's happiness and courage. It is one of the many truths our Churches teach which can enrich your life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mrs. Roosevelt On Hiss Case

New York, Jan. 28 (AP)—Mrs. Eleanor Roosevelt says she doesn't believe anyone can question the verdict of the court sentencing Alger Hiss to serve five years in a federal penitentiary for perjury.

"We believed that we have set up the best system under which to obtain justice that can exist in your own country," Mrs. Roosevelt said in her daily column which appeared in the New York World-Telegram Wednesday.

"Trial by your peers is supposed to be the last word in safeguarding the innocent," Mrs. Roosevelt said. "So how can anyone of us question it?"

"There is one more safeguard—appeal, and Mr. Hiss' counsel has announced he is going to appeal. He must believe in his client's innocence and in the ultimate triumph of truth.

"Whittaker Chambers, as I understand it, has confessed to all the sins of which he accused Mr. Hiss, including perjury, but if you are a witness for the government, you are exempt, of course, from punishment."

Mayor Moran Speaks

Monmouth — Mayor H. W. Morland told the Monmouth Luncheon club of the vicissitudes of the city water department during the recent wintry spell and said that tests were being made of the water to see if the surface water was gone from the system.
