Vikings to Play State Frosh On Tuesday Night

The annual basketball game between the Oregon State Frosh and Salem high Vikings Tuesday night is expected to provide the Haukenmen with a respite from the rugged Big Six series and high school competition. The Staters, who undoubtedly will be tough to beat, will offer the Viks no crucial hurdle so far as league standings are concerned. The game comes on the heels of a victory for Coach Harold Hauk's crew over Astoria which evened the 50-year-old series at 25 games apiece. The Viks won, 44-32.

Dempsey Voted Greatest Fighter of Half Century

By GAYLE TALBOT
New York, Jan. 30 (AP)—"This is the greatest thing that ever happened to me. I hope I'm worthy of it."
Those were the first words that popped from Jack Dempsey when he was told he had been voted the greatest prizefighter of the past 50 years in a nationwide poll of sportswriters and sportscasters conducted by the Associated Press.
The old Manassa Mauler plainly meant what he said. He was pretty well flabbergasted.
"There have been so many great fighters," he protested. "I don't know how the boys can be sure I was the best. But if they think I was, it makes me mighty happy."
The vote, he was assured, had been more than decisive. Of the 393 experts who participated in the poll, 251 had voted the straight Dempsey ticket. Only

Demaret Says Lady Luck Aided His Phoenix Win

Phoenix, Ariz., Jan. 30 (AP)—Jaunty Jimmy Demaret, the most flamboyant of golf's touring professionals, said today "Lady Luck" helped him win the \$10,000 Ben Hogan Open. Demaret collected \$2,000 first place money yesterday after he earned his fourth straight sub-par round for a 269 total, one stroke off Bobby Locke's tournament record set in 1948 on the Phoenix Country club course. The colorful Ojai, Calif., professional also won the event last year in a playoff with Ben Hogan, namesake of this year's event.
Hogan finished far down among the winners, coming in with a 283 total which gave him \$16.66. Ben started off

Bearcats Look Forward To Second PU Game after Loss

Mid-year examinations will hold the attention of Coach Johnny Lewis' Bearcats this week as they look ahead to a return joust with the Pacific university Badgers, next Saturday night at Forest Grove.
It was apparent the 'Cats had something other than basketball on their minds last Saturday evening when they were on the short end of a 64 to 48 score. The loss shoved them down into a tie with Pacific for first place in Northwest conference competition.
In view of restricted playing conditions in Pacific's gymnasium, Willamette will have its work cut out when it meets the Badgers there. An over-hanging balcony makes it tough on the uninitiated.
Two guys named Dick Morgan and Ed Rooney were largely responsible for the 'Cats' defeat although their own lack of energy played an important part in their downfall. Operating from behind a screen, Morgan potted eight field goals from around the foul circle and when he missed Rooney was under the basket to tip them in. Morgan collected 20 points and Morgan 19.

Claim Evashevski Signed for WSC Coaching Spot

Seattle, Jan. 30 (AP)—An unimpeachable source said last night that Washington State college has signed Forrest Evashevski, Michigan State college assistant, as its head football coach.
The same source, who declined use of his name, said Evashevski was given a five-year contract calling for more than \$10,000 a year.
At Pullman, however, Bob Brumblay, WSC athletic director, denied the report. He said no one has been signed and "negotiations for the head football coach are still going on."
And at East Lansing, Mich., Evashevski's only comment was: "I haven't signed anything lately but my son's report card."
The Michigan State assistant gained fame in college football as blocking back and field general for Tommy Harmon at the University of Michigan.
In hiring Evashevski, WSC would take a lead from Oregon State college which only last fall lured Kip Taylor from a Michigan State post.
