"AROUND THE CORNER"
 By DICK ECKLEY

This weekend we are going to have a demonstration of Biltmore Tuna Fish. Biltmore is the Tuna that is known for its distinctive flavor and I am sure you will enjoy sampling it. It's priced right too. You can get the solid pack for 33c a can or if you prefer, you can buy the grated at 29c a can.

Another Tuna that I would list as a good buy is the "Washington Brand" White Albacore Tuna. This is listed at a new low price of 39c a can.

Then we have the White Star brand of Tuna Fish at a very attractive price. The grated pak is selling for 29c a can and the solid pak is going for 35c a can as long as this shipment lasts.

I am sure you would benefit by buying a quantity of your choice of Tuna Fish now while the market is at this level. A good deal like this can't last forever. Buy now and save.
