

Bearcats Eye OCE Rematch After Nosing Past Pacific

An opportunity to square accounts with the Oregon College of Education Wolves will be presented Wednesday night on the Bearcats' gymnasium floor.

NORTHWEST CONFERENCE

Whitman	4	.500	447	328
Col. of Idaho	3	.429	366	376
Lewis & Clark	3	.429	381	400
Linfield	3	.429	353	403

The Wolves downed Willamette in mid-December 62 to 61 on the Monmouth court and the locals have been looking forward to the second meeting which has been slated for 8 o'clock Tuesday night.

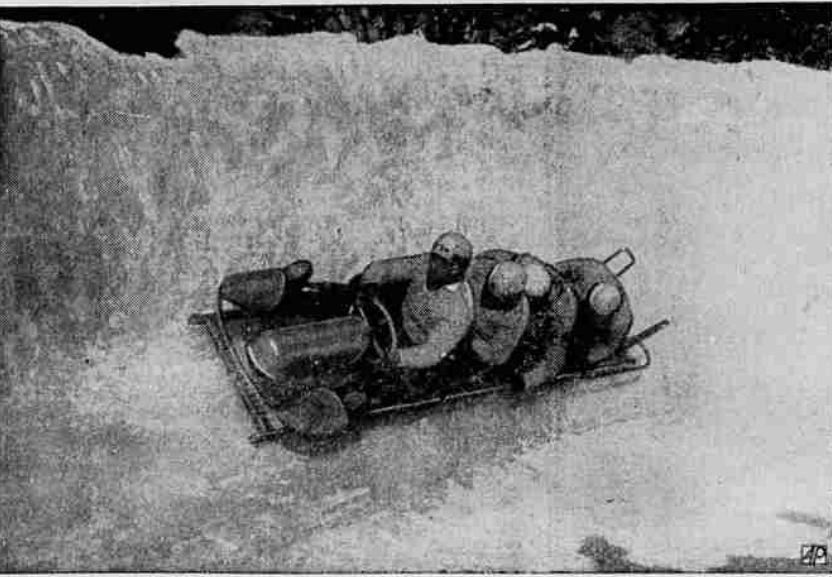

ers boosted their Northwest conference lead to a game and a half Saturday night by nosing Pacific 48-44 but the 'Cats had to stave off a red hot Badger rally to turn the trick. Willamette was out in front 30 to 15 at the half and they maintained what appeared to be a safe margin through much of the second half. Four quick buckets by the Badgers trimmed the margin to two points as the quintets entered the final two minute zone.

Hugh Belling, fouled by an eager Badger, caged both shots allowed under the modification of the two minute rule but Moran duplicated the feat for the Pacifics a moment later. With less than a minute to play and Willamette in possession, and with Pacific

pressing hard to get the ball, Doug Logue dunked a field goal from beneath the basket as he stood there entirely unnoticed by the Badgers. The session ended seconds later.

The tilt, played in Pacific's undersized gym, grew extremely rough at times as the officials called 42 fouls. Pacific was ahead just once, when Ed Rooney hit a gifter immediately after the session started.

Willamette's next conference game will be against Linfield at McMinnville next Friday night.

UCLA, meanwhile, posted its 24th straight home victory by outlasting Santa Clara's second half upsurge and winning by 74 to 64. On Friday night, the Bruins set a new school scoring record by steam-rolling over Fresno State, 83 to 43. Stanford licked St. Mary's, 55 to 36, in another Friday game.

Ruth Error Recalled As Bambino is Voted Tops

(By the Associated Press) Rye, N. Y., Feb. 6 (AP)—It isn't quite true that Babe Ruth never made a bad play on the baseball field. He made at least one and it was a beauty.

This is on the distinguished authority of Edward G. Barrow, the old stalwart who bossed the immortal Bambino through almost all his great career with the Boston Red Sox and the New York Yankees.

"He might have made others that I didn't see," Barrow said, "But I can recall only the one time that I felt like killing him."

"That was when he tried to steal second with two out in the ninth innings of the final game of the 1927 world series. Catcher Bob O'Farrell nailed him easily, and the St. Louis Cardinals won the series, 4 games to 3.

"What caused him to try to steal just at that time I don't know to this day. I didn't ask him after the game because I didn't dare go near him the way I felt. But that was the Babe," sighed the man who perhaps knew him best.

That was the storied game, incidentally, in which Grover Cleveland Alexander relieved Jess Haines with the bases full of Yankees in the seventh and struck out Tony Lazzari to end the inning. Ruth worked "Old Pete" for a walk after two were out in the ninth, and then suffered the brainstorm which causes Barrow to wince still.

Now living in retirement in this quiet suburb of New York city as he nears his 83rd birthday.

Lake Placid Sled Crew Breaks Mark To Hold Record

Cortina D'Ampezzo, Italy, Feb. 6 (AP)—A four alarm dash to a new track record with Fireman Stan Benham at the wheel kept the world's four-man bobsled title in the United States today.

Benham's all Lake-Placid crew, which won the Olympic championship for the United States in 1948, was facing certain defeat yesterday after Fritz Feierabend had piloted the Swiss entry to a new course record of 1:21.64 the day before to give his country a 5:29.69 combined time for four heats.

However, the American team of Benham, Fred Antonio, Bill Cary and Bill O'Farrell then rocketed down the treacherous slide on their final try for a new record of 1:21.03 which gave them a total of 5:28.72—.97 seconds better than Switzerland's.

Mat Tourney to Give Winner Shot At Coast 'Title'

With a shot at Al Szasz's so-called junior Coast heavyweight title the prize, eight mat gladiators will strut their stuff in the armory wrestling arena Tuesday night at 8:30.

Just before the start of the program, the eight men will draw for opponents and then will engage in a series of matches of one fall or 15 minute duration. The contestants will include Frank Stojack, the Great Atlas, Leo Wallick, George Dusette, Tony Ross, Lee Grabbe, Dale Kiser and Arnie Skalland.

Scandinavian Ski Artists Dominate Championships

Rumford, Me., Feb. 6 (AP)—They averted only individual titles in the world ski championships but if they did determine a team title it would be exactly as you figured—Norway and Sweden are far out in front.

With four of the five events in the Nordic phase of the games completed, Norway is leading with 40 1/2 points. Sweden is second with 34, followed by Finland with 22.

The United States is fourth with 3 1/2, France fifth with 3 and Canada sixth with one. Denmark, Switzerland, Yugoslavia and Austria haven't registered a point.

The tabulation includes the jump, in which four Norwegians broke into the scoring at Lake Placid, N. Y., and the 40-kilometer (25-mile) relay which Sweden won from Finland here. Both events were decided yesterday.

Only race remaining on the program is the 50-kilometer (31-mile) marathon today in which Sweden's Nils Karlsson, the 1948 Olympic champion, is a contestant.

Thirty-three skiers are scheduled to start in the 50-kilometer, at 10 a.m. (EST). They will travel twice over an improvised 25-kilometer course. Going over a patch twice violates the Federation Internationale De Ski rules, but that has been waived because of lack of snow at Lake Placid, only 50-kilometer layout in the east.
