

## \$65,000 Refund For Oil Co-Op

Mt. Angel, Feb. 9—Refunds in excess of \$65,000 will be distributed to members of the Marion County Farmers Union Oil company, it was indicated in the financial report of William Stacey at the 16th annual membership meeting here.

The volume of business last year was reported at \$718,000 with a net margin of 7.8 percent. Another savings from the Pacific Supply Co-operative is estimated around the same amount for a total of 15 percent.

Charles Baker, Walla, Walla, Wash., general manager of the Pacific Supply Cooperative, and Rudy Smith, Hillsboro, of the Tualatin Valley cooperative, were the principal speakers. Baker explained the new raw products business in petroleum and fertilizer and also the 4 percent cumulative preferred stock of Pacific Supply now being offered members.

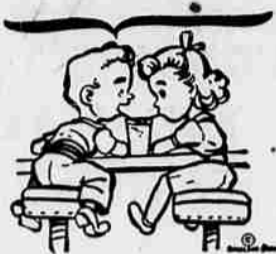

Calls have been issued for payment for the 1943 certificates of

interest amounting to approximately \$29,000 which will be returned to members with the usual cash dividends on the operators last year.

Ernest Werner was retained president; Warren Gray, vice president; and Peter F. Gores, secretary-treasurer and manager. George Kruse and Robert Harper, whose term of office expired, were re-elected for a two-year term.

Nearly 400 members attended the luncheon at the St. Mary's school dining room.

## Tomkins Asks Survey Of Orchard Damage

Portland, Feb. 9 (AP)—State Grangemaster Morton Tompkins has asked Oregon State college to make a field survey of winter damage in western Oregon orchards and berry fields.

He said grower reports indicated heavy losses in scattered areas. Salem growers reported all peach trees under four years of age were killed, he said, and Yamhill orchardists indicated all trees under six years lost.
