

Silverton Lutheran Church Will Install New Minister

Silverton, Feb. 11—The Rev. and Mrs. Joseph A. Luthro are arriving the latter part of this week from Fairbanks, Alaska. The Rev. Luthro will be installed as pastor of Trinity Lutheran church Sunday at the 11 o'clock worship service. Dr. H. L. Foss, a former pastor of Trinity and now the Pacific district president of the Evangelical Lutheran church will conduct the installation service.

Rev. Luthro was born near Goldfield, Iowa, the son of Mr. and Mrs. John Luthro Jr. He studied at Waldorf Junior college, Forest City, Ia.; at Augustana college, Sioux Falls, S.D., and Luther Theological Seminary, St. Paul, Minn., from which he graduated in 1944. Upon his graduation he accepted a call to the mission field in China but because of the war, work there was hindered. Instead Rev. and Mrs. Luthro accepted a call from the home mission board to organize a congregation in Fairbanks, Alaska. The work in Fairbanks progressed rapidly and in a short time that congregation was a self-supporting one. The Luthros were there a little more than five years.

Mrs. Luthro is a daughter of the late Dr. Lars Boe, who for many years was president of St. Olaf College, Northfield, Minn. She also attended St. Olaf college and is a graduate nurse from the Fairview hospital, Minneapolis, Minn.

Immediately following the worship service the members of Trinity are having a reception for their new pastor and wife in the church parlors. A no-host dinner will be served. Pastors and families of the Oregon circuit have been invited to the reception.

Stress Placed On Religion

"Religious emphasis week" will be observed on the Willamette university campus February 14-16 with Dr. Amos Addison Thornburg of the First Methodist church, Hollywood, Calif., as guest speaker.

Dr. Thornburg, who is a member of the general board of lay activities of the Methodist church, and has national duties on the general conference committee of rituals, will give three talks, entitled "Our Changing Religion," "The Possible You" and "The Victorious Captive."

Dr. Thornburg completed his undergraduate work at West Virginia Wesleyan university, and West Virginia Wesleyan college. He had five years of graduate work in three separate theological seminaries and universities. He earned a master's degree from Northwestern university and was awarded the divinity degree at Garrett Biblical Institute.

In conjunction with "religious emphasis week," a poster exhibition will be on display in the library. Bill Peyton, Balboa Island, Calif., won first prize of \$15 in the poster contest and Earl Brusselle, Salem, received second award of \$10 and honorable mention for a second poster he submitted.

Other activities of the week will include dedication of "Little Chapel," in Waller hall, and a movie "The God of Creation" on Tuesday; fireside discussions Wednesday evening, and a play "Ghosts" by the drama department Thursday.

U. S. Navy Has Plan for Youth

Graduation from college and a reserve commission in the U.S. navy—that is the navy's plan for young men wanting to take advantage of the reserve officer candidate program of the navy.

Information on the program has recently been received at the Naval and Marine Corps Reserve Training center and is available to those young men interested.

The program should be of special interest to college undergraduates and also to those young men graduating from high school and planning to enter college in the fall.

Deadline for making application this year is March 1 and applications can be secured from the Naval and Marine Corps Reserve training center.

The program requires that applicants must be United States citizens, between the ages of 17 and 27 and presently attending an accredited college. To qualify for the commission at the time of graduation the young man must be able to complete two six-weeks summer cruises out of San Diego prior to his graduation.

Subject Monday Night: "From Creation to the Flood"

Here is your chance to acquire an organized knowledge of the past, present and future of Christianity, and a better understanding of your Bible.

Smokestacks are essential in an industrial age. Without them we would be choked and blinded by the fumes of our own factories. Our giant stacks lift the smoke where the breeze can blow it away.

Have you sometimes wished that someone would provide a kind of smokestack to lift the cloud that stifles our hopes and happiness?

Someone did!

His name was Jesus. And His gift to humanity was something which, in its original crude form, was no more beautiful than a smokestack. It was a Cross!

He died on that Cross. But by His Sacrifice He made it the instrument of man's freedom from the cloud that man himself had made.

Our Churches worship Him, and teach the meaning of His Cross . . . lifting the smoke of sin from our lives.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
