

**Air Force Plans Rescue Helicopter**—This artist's drawing shows one of the ways the air force plans to use the new specially-designed twin-motor helicopter, the Piasecki H-21, developed for air rescue service. The H-21 will be equipped with inflatable pontoons with built-in skis surrounding each of three wheels to permit it to land on water, snow, ice or land. The ship will have a power hoist for bringing survivors aboard in areas where a landing cannot be made as shown above. The helicopter will be 54 feet long with a 20-foot cabin that can carry up to 27 persons. Builder is the Piasecki Helicopter Corp., of Morton, Pa. (AP Wirephoto)

### East Salem Garden Club Given Talks on Pruning

East Salem, Feb. 16 — The first interest of East Salem Garden club members for the first meetings now following the unusual freezing weather of January will be what to do with shrubs and trees that look as if they were badly damaged.

Members of Swegle Road Garden club held their monthly meeting Tuesday night in the home of Mrs. Robert Darby on Birchwood drive and papers prepared for the program took into consideration the blackened leaves and apparently dead branches of trees and shrubs.

Mrs. H. N. Olson discussed "Points in the Pruning of Shrubs and Trees," and Mrs. Daniel Casey, "The Propagation and Care of Roses." The usual program planned for February was recommended also; the pruning of grapes, planting of deciduous shrubs and trees, baiting for slugs, studying seed catalogues and even a hope that garden peas may be planted before the month is over.

The new president, Mrs. Oscar Wigle presided at the business meeting. Mrs. Homer Conklin and Mrs. Clifford Yost were asked to serve on the program

Mr. and Mrs. Henry Friesen are moving Thursday from Salem into their new home on Swegle road.

Mrs. Mary Long of Salem will be visiting in the home of her daughter, Mrs. Robert Darby for a few weeks.

Mr. and Mrs. Ralph Hein were hosts for a birthday party Saturday night at their Lancaster drive home, honoring Mrs. Hein's sister, Mrs. John Ritter of Canby. Guests were Mr. and Mrs. Austin Taylor, Mrs. Ethel Conklin, Mr. and Mrs. Edward Lee, all of Yoder; Mr. and Mrs. Percy Ritter and Mrs. Martha Jones of Needy; Mr. and Mrs. John Ritter, Mr. and Mrs. Rudy Ritter, Mr. and Mrs. Edward Krueger and Mr. and Mrs. Lorin Wrosted, all of Canby. The evening was spent with "500" being played.

Answering roll call were Mrs. Alfred Paul, Mrs. Bryan Garrison, Mrs. Dan Stauffer, Mrs. Floyd King, Mrs. Ross Bales, Mrs. Casey, Mrs. Herbert Zobel, Mrs. George Quinn, Mrs. H. N. Olson, Mrs. Robert Fryrear, Mrs. Clifford Yost, Mrs. Conklin and Mrs. O. P. Bond who was out for the first time following her fall in January which sent her to the hospital for several days and confined her to her bed for several weeks. Mrs. William Koehn was a guest. Mr. and Mrs. William Sample have moved into their partly finished home on Birchwood drive from their Swegle road home.

Mrs. H. N. Olson discussed "Points in the Pruning of Shrubs and Trees," and Mrs. Daniel Casey, "The Propagation and Care of Roses." The usual program planned for February was recommended also; the pruning of grapes, planting of deciduous shrubs and trees, baiting for slugs, studying seed catalogues and even a hope that garden peas may be planted before the month is over.

The new president, Mrs. Oscar Wigle presided at the business meeting. Mrs. Homer Conklin and Mrs. Clifford Yost were asked to serve on the program

### Radio Program Bothers Him So He Puts Station Off Air

York, Pa., Feb. 16 (AP)—Holmes Gibson was charged with disorderly conduct Wednesday because he turned off a radio program he didn't like.

State police said they wouldn't have cared if the 32-year-old York man had turned off the program in the usual way. But Gibson, they said, tried to take the entire radio station off the air.

It all happened, according to the police, last Sunday morning when Gibson walked five miles in the rain from his home to the transmitting station of WORK and asked Chief Engineer Merle Miller:

"Where are the switches to turn the station off?"

Miller told police that Gibson, without waiting for an answer, began rushing from switch to switch, turning them off. Miller was right back of him, turning them on again.

The engineer finally gave up the chase, went to nearby home and returned with a fellow station employee. The two stopped Gibson and got the station back on the air before the police arrived.

Asked to explain his actions—which resulted in six minutes of broadcast interruptions and another 10 minutes of complete silence—Gibson told police the program interfered with electrical appliances in his home.

He is free in \$500 bail until a hearing Friday.

### Brummel Named Recruiting Officer

Thirteenth Marine Corps Reserve district this week announced the appointment of Sgt. Clyde R. Brummel of 1110 South 17th street, Salem, as a volunteer Marine Corps recruiting non-commissioned officer for Salem.

The sergeant, stationed at the Naval and Marine Corps Reserve training center, is a graduate of Klamath Union high school.

A veteran of World War III he enlisted in the Marine Corps in Portland, January 4, 1943, and during the war served with VMF-115, First Marine Air Wing in the Southern Solomons, Leyte, Mindoro and Mindinow in the Philippines.

PTA Sees Movies

Pedee—The local PTA met with a fair attendance. Two films were shown, "When City Sleeps" and "Miracle Cure." Readings were given by Melvin Boyce and Mrs. Alice Wing. Piano solos, Larry Zwer and Kay Wells.

### Alberta Gas Line Prospects

Calgary, Alta., Feb. 16 (AP)—Within five years after construction is completed on the proposed \$100,000,000 pipeline it is expected that U.S. and Canadian natural gas consumers will be drawing an estimated 60,000,000,000 cubic feet a year from the Alberta fields, an engineer told the Alberta petroleum and natural gas conservation board yesterday.

More than three-fourths—or 47,000,000,000 cubic feet—is expected to be used by consumers in the United States.

The testimony was given by Dr. C. R. Hetherington of the Lord, Bacon and Davis engineering firm during the course of his testimony on the application of the Westcoast Transmission company for permission to construct the line and export the natural gas.

Hetherington said the line would have an overall length of 1025 miles, with 110 miles in additional branch lines and a gathering system of 426 miles.

It would run from Edmonton, Alta., to the U.S. border near Abbotsford, B.C., cross over at Wickersham into Washington and extend on into Portland, Ore.

Sheridan Mill Resumes

Sheridan—Leon French, Sheridan Grain company manager, has announced that feed mixing and grinding has been resumed by the firm. Equipment used for this operation was damaged in the fire at the west warehouse several months ago.

### 11 New Stamps Planned for '50

New York, Feb. 16 (AP)—Since the deluge of 29 special stamps which were issued in 1948, the Post Office Department last year limited its program to 11 issues and plans to release a like amount this year.

For 1950, postal officials are considering an issue for the ses-

quicentennial of the removal of the nation's capitol from Philadelphia to the District of Columbia. It is tentatively planned to surround the Washington Monument with a temporary "Colonade of States"—mural paintings depicting each state's founding.

It also has been suggested that three stamps be issued with designs of the White House, Capitol and Supreme Court Building being used.

In addition, additional "Famous Americans" are being con-

sidered. Among them are Gen. John J. Pershing, Gen. George S. Patton, Patrick Henry and baseball's immortal, Babe Ruth.

Another possible commemorative for 1950 is the world skiing championships at Lake Placid, N.Y., and Aspen, Colo.

Lodge Club Meets

Silverton — Members of the Royal Neighbor club met at the home of Mr. and Mrs. Otto Dahl Wednesday afternoon with Mrs. Carl Rutherford and Mrs. John Wostenberg assisting hostesses

### THE FINEST TEA YOU CAN BUY OFFERS YOU THE FINEST TEA-POT YOU COULD WANT

**\$3.50 RETAIL VALUE**  
**BRU-O-LATOR**  
for only **\$1.25**

... and a McCORMICK Tea Box-Top (any size)  
Discover richer, more refreshing McCormick Tea and save real money on the exclusive Bru-o-lator. One sip tells you there's no tea like McCormick. McCormick picks only prize young leaves, blends them expertly for full body, wonderful flavor, sparkling color. Get McCormick Tea today... a mail in the box-top plus \$1.25 for the big, beautiful Bru-o-lator. With handy McCormick tea bags or tea leaves it makes the most delicious, clearest tea you'll ever taste.

WHAT A BARGAIN! Made to sell for \$3.50, this big 6-cup Bru-o-lator is worth every penny! Only McCormick offers it at this "give-away" price.

WHAT A BEAUTY! This lovely maroon-colored china teapot is pretty enough to put right on your dinner table.

Look for McCORMICK TEA
