# **Pleurisy**

By J. H. WILLETT

If you ever experience that sharp pain in the side which is one of the symptoms of pleurisy you will not soon forget it. And if you wish to avoid a long siege of illness you will see your doctor as soon as possible

Pleurisy usually results from subjecting the body to extremes of heat and cold without being properly clothed for these

With prompt medical attention and effective medicine the sick period can often be reduced to a few days. To be effective medicine must be pure, potent, and accurately compounded.
