### Gen. Marshall Lauds Red Cross

New York, Feb. 17 (AP)—Gen. George C. Marshall, praising the Red Cross as an instrument for international peace, has opened that organization's national appeal for \$87,000,000.

The proposed budget is \$7,000,000 higher than last year.

Marshall, former secretary of state and now president of the American Red Cross, told 1800 persons at a Waldorf-Astoria meeting yesterday:

"The cultivation of good faith and good will is of monumental importance and I know of no other organizations but the Red Cross which has the power to spread the good faith and the good will which are essential to peace."

Fund collections begin officially March 1.

### Brownout in N. Y. Ordered

New York, Feb. 17 (AP)—Times Square's fairyland of lights will blink out Sunday as a result of the coal mine strike.

A statewide "brownout" of electric advertising displays will follow rationing of dwindling coal supplies under priorities, put into effect last night.

The conservation steps—like those of wartime—were ordered to avert the "catastrophe" that Gov. Thomas E. Dewey said might result from the soft coal walkout.

New York state's coal administrator, Bertram D. Tallamy, set the wheels in motion.

He issued five emergency orders, with the full force of law, to restrict sale of coal and to dim advertising lights from Broadway to Main street.

New York City folks — accustomed to blackouts, dimouts and brownouts during war and industrial strife—took the news in stride.

Advertising sign men in the Times Square area—where you can read a newspaper in the middle of the street at midnight—promised full compliance with the brownout orders.

But Broadway won't be black. Street lamps and streams of light from windows will suffice, as in past brownouts. It won't be like the deep gloom that prevailed during part of the war.

### New Instructor for Art Group Announced

The creative art group of the Salem Art association announced today that the services of Phillip Halley Johnson, of Monmouth, have been secured as instructor in drawing and painting.

Johnson received his training at the University of Oregon's School of Architecture and Allied Arts. While there he specialized in fresco and mural painting. He has had considerable teaching experience with groups and individuals, here and in Portland. Johnson's paintings are to be found in several private collections.

The creative art group meets on alternate Friday evenings at the studios, 193 North Commercial street, for a three-hour session of life drawing, composition and painting. The next meeting will be Friday, February 24, at 7:15 p.m.

There are at the present time a few memberships in the group that are vacant. Persons interested in joining the group should contact Mrs. Ida Nestell, Phone 3-6247.

### Horizon Club Has Formal Inductions

### Robbers Surprise Room Clerk

New York, Feb. 17 (AP)—Two men entered the St. Clare hotel early today, and asked Room Clerk William Knox the rates for a double room. "\$4.29," said Knox.

"That's robbery," said one of the men.

"I'm no robber," Knox replied, jokingly.

"But we are," said the man, shoving an object in his raincoat pocket, apparently a revolver, toward Knox.

Police said the men swept \$106 from the hotel cash drawer, and fled.

### Rally Dinner For Soph Class

Salem high school's sophomore class held a rally dinner Friday evening preceding the Springfield-Salem game at the high school cafeteria.

"School Spirit" was the theme for the affair headed by Jim Mathieson, class president, and assisted by Roberta Sjoding, class secretary.

Bow Young and Helen Callaghan decorated the cafeteria with red and black magaphones with pom-poms dominating. Honored guests attending were Mr. and Mrs. E. A. Carleton, Mr. and Mrs. Gurnee Fleisher, Miss Elizabeth Gilbert, Mr. and Mrs. Frank Neer and Miss Vivian Carr.

The class of '52 has presented several talent shows to the ASB members of Salem high during the noon lunch period for class activities. The sophs are now preparing for the talent competition with the juniors and seniors at a later date.
